## 1 CARD OF THANKS

This is one last well-deserved thanks to the community of Lone.

In this day and age when it seems the "thing to do" is go down to the local cafe and complain, I want to shed some light on a wonderful thing going on all around us every day. This thing is our community love and support for one another. I have always been very aware of it, who isn't? At sporting events, we always have the largest fan section, whether our team is home or away. When walking in town, every person you see says "Hi". I asked a number of people to write reference letters for scholarships this year. Every person took the time to write a wonderful letter, without ever expecting anything but "thanks" in return.

Never before was I as engulfed in this support as I was on my graduation night. There were numerous local scholarships given by clubs and memorial funds. None of these organizations had to give anything, but they all chose to, in support of us graduates and our future. In the reception line so many people walked through to give congratulations and hugs. It made me feel as though I was such a part of this community; that not only was I going to miss it, but the people were going to miss me as well. The greatest shock came when I got home and saw the huge pile of gifts and cards. I was amazed when I began to open them. People were incredibly giving and generous. I received cards and even gifts from some people whom I barely knew. They were people who wanted to support all of us. When you know that you have so many people backing you and caring about you, you feel as though you can conquer the world.

I honestly have to say that graduation was one of the best days ever, thanks to this community. I felt special and loved by so many people. I hope to do something very big with my life, and I will always remember to whom I owe my success—Lone. I also want all of you people sitting in the local cafe right now, to know that I will miss you.

I wish to express my thanks to all who sent cards, prayers, flowers and many kind words and deeds since I have been in the hospital. Thanks seems so little to say. I am in there fighting because of people like you. My sincere thanks.

We wish to thank our children and grandchildren for such a lovely 50th anniversary party. What a thrill to see so many of our family and friends who came to help us celebrate this special day. A big "thank you" to Gayle Hoeft for the beautiful cake, Eileen Padberg for the mints, Bill and Jane Rawlins for the flowers, our sis Billie for arranging the bouquets and Verna Brinda for all her help.

We have enjoyed the many cards we received, gifts, money tree and phone calls. Thank you all. You made it such a memorable day.
