Letter to the Editor

Hats off to HHS students

To the Editor:
I have been involved in a variety of youth activities the past 25 years. Many of them have been as a parish pastor and others have been with various community organizations.

My hats off to the students of Heppner High School. I was really pleased with the cooperation and friendliness of the students at the dance sponsored by the Oregon Together Group after the first home football game.

There were no problems and the youth left the building and

grounds in fine shape. They were very appreciative the efforts of the organization to secure for them Dan Burns and Three-Productions and all the pop they wanted to drink.

Again my hat off to the fine students of Heppner High School.

(s) Rev. Stan Hoobing
Convenor of the Heppner Oregon Together Group

Correction

A story in the Sept. 8 issue of the Gazette-Times entitled "New playground installed at Heppner Elementary School should have read "Oregon School Employees Association" donated \$100 toward funding the playground equipment. The group was incorrectly identified as the Oregon State Education Association.
