An Ione Booster Club has been formed to support the athletic programs at Ione High School. With dues of \$5 per person and frequent fundraisers, the group hopes to negate the negative impact athletics will likely feel in the near future.

Jim Swanson is the president of the organization, Vicki Wagenblast is the vice president and Del LaRue is the secretary-treasurer. The next scheduled meetings are December 2 and 16, both Thursday evenings, at 7:30 p.m. at Beecher's in Ione.

The group hopes to raise funds with a variety of activities. Currently, booster club jackets are on

sale, in both red and black, with a choice of lining. Prices range from \$40 to \$50, depending on the lining. Contact Del LaRue to place an order. Other money making ideas include dinners on game nights, grocery raffles and a Reno night in the Spring. Money will go towards equipment, uniforms, travel and other expenses that may be cut from the budget. The group also hopes to have funds available in the event that Ione sports are operated on a "Pay to Play" basis in the future.

Sports and activities at Ione school need everyone's help say organizers. All interested people are encouraged to join in the fun of the newly formed club.

Lutherans hold Thanksgiving service

"It is that time of year when people give thanks to God for the many blessings, good health, friends, family, good food, good community, etc.," says Rev. Stan Hoobing of the Hope-Valby Lutheran Church.

The congregations of Hope and Valby Lutheran churches invite people to participate in a worship service of Thanksgiving on Wednesday, Nov. 24 at 7:30 p.m. at Hope Lutheran Church in Heppner.

Thanksgiving day a service will be held at 9 a.m. at Valby Lutheran church. Visitors and friends are welcome.

Sunday, Nov. 28 the congregations will observe the first Sunday of the Advent season. Advent is four weeks or Sundays before Christmas when Christians prepare for the coming of the Messiah, Jesus the Christ. The first Sunday tells of the good news of the Lord's coming, his coming at birth in Bethlehem, coming into the world, but also his ever coming in grace today. Pastor Hoobing will deliver the sermon entitled, "What Do You Know: It's A Parade", based on the reading of Mark 11: 1-11.

During the next weeks there will be mid-week advent services built around the theme: "A Savior, Christ the Lord". The first one will be on Wednesday, Dec. 1 at 7:30 p.m. at Valby

Lutheran Church. The first advent service at Hope Lutheran will be on Thursday, Dec. 2 at 7:30 p.m. The message will examine one of the names spoken about Jesus, Savior, Christ and the Lord, by the angel. The first message will be about "Savior" a word that brings to mind Joshua, agent of God's conquering deliverance.

Visitors and friends are always welcome to attend services and events at the Hope and Valby Lutheran Parish.

As the owner of five restaurants employing as many as 350 people, John McGrath knows the value of an effective workers' compensation program. And he's determined to keep costs down without sacrificing coverage. That's why McGrath's PubliK Fish House chose SAIF Corporation as its workers' compensation insurance carrier.

"SAIF has included us in the workers' comp process. Working together, we've been able to stop claims costs that were going out of sight."

John McGrath
McGrath's PubliK Fish House, Salem, Oregon

McGrath's is a thriving Oregon business that's grown from one Salem restaurant in 1980 to locations throughout the state. Their formula for success is simple: Offer people the freshest seafood available at the best possible price. Keeping costs down means monitoring every aspect of the business. Including workers' compensation insurance.

SAIF Corporation and McGrath's have worked together to manage risks associated with the work place, evaluate claims, and help injured workers get back to work sooner.

The result? Fewer injuries and claims. Lower workers' compensation costs. And timely coverage for every worker who is entitled to it.

At SAIF Corporation, we're committed to being the leading competitive force in the workers' compensation marketplace. That means providing our policyholders—and Oregon—with innovative services that give them an economic advantage.
