1 CARD OF THANKS

As citizens and taxpayers of Morrow County, we have often wondered what kind of care our senior citizens and loved ones received at Pioneer Memorial Hospital and nursing home.

We can speak from experience when we say the care is excellent. After having our father in the nursing home and hospital for the past several months, we have seen first hand the quality of care given there.

His comfort and dignity was their first concern. All the Drs., nurses, aides and everyone who had a part in his care were concerned about his well being from the day he entered until he passed away.

The meals were attractive and well balanced, nutritionally. Each week, activities to keep them socially and mentally alert, are scheduled.

Words are inadequate to express our gratitude and thanks to these caring people. The verse "Well done thou good and faithful servant" certainly applies here. Thank you from the bottom of our hearts.

Sincerely,
John & Jean Jepsen
