## JIM BRADLEY Republican for Congress

Jim knows the problems of Eastern Oregon. For over 25 years he has lived and raised his family here.

Three strikes and you're out, is not enough. My three steps are better!

1. Put the Criminal away for one violent crime.

2. He shall serve sentence given by the court.

3. Eliminate the Parole Board.

If elected, I will introduce legislation for the three step plan!

The Environmentalists have devastated Oregon under the pretense of saving the spotted owl.

I'll stand up for our property rights and our right to keep and bear arms.

For better representation in Eastern Oregon I will open Congressional offices in Bend and Pendleton.
