

## Babysitter course completed

Students at babysitting class

Sixteen future babysitters completed an eight-hour training course in Heppner on June 20 and 21. The students had "hands-on" opportunities to practice making articles for a "sitters bag of tricks," learn basic first aid and when to call for help during medical emergencies, and how to hold and diaper babies. Students also observed toddlers at play, made safe nutritious snacks, learned to build a child's self esteem, and learned techniques

for positive behavior management.

The training, coordinated by the 4-H Youth Development program, was conducted by local medical personnel and interested parents. The teaching team included George Nairns, Sue Thompson, Kathleen Lowe, Kay Proctor, Laura Burnside-McElligott, Dr. Jeanne Berretta and Carol Michael-Bennett. Infants and toddlers who helped with the program were Carrie Hagewood, Nicholas Lacey,

Jeffrey McConnell, Mark McCabe, Courtney Berretta, Catherine McElligott, Justin Gutierrez and Jordan Hastings.

Youth attending the babysitter training were: Danielle McDowell, Tai Sweek, Marissa McCabe, Camille Sykes, Katie Bacon, Andrew Vosberg, Sarah Eckman, Molly Barrow, Felicity Warren, Erin Crowell, Jamie Perez, Korey Morgan, Krista Adams, Kaylee Zumwalt, Kathryn Jones and Adrienne Swanson.
