Letters to the Editor

Ione Firemen omitted

To the editor:
It's really too bad that the Gazette Times only considers Heppner people and Heppner involvement news worthy enough to print. This is concerning the article in the July 13 edition about the local firemen who responded to the fire in Grass Valley Sun. July 10. There weren't just Heppner people involved but also three Ione firemen that

responded to help. Jim Boor, Dennis Thompson, and Richard Ladd also took time out of their vacations and work time to go down and help. These firemen spent two days down there helping to battle the blaze. It's really too bad that you felt Ione wasn't important enough to include in your article.
Sincerely,
(s) Janet Thompson

Swimming pool issue

To the editor:
Do you want the public to vote on the swimming pool issue for Heppner? If you do, please contact Ken Turner, Nancy Brownfield, or Bob Kahl and let them know how you feel. They are board members of Willow Creek Park District

and they will be deciding if the public gets to vote on whether to have a swimming pool in Heppner through the Park District at a public meeting on July 27, Wednesday at Kate's Pizza, Heppner at 7 p.m.
Thank you,
(s) Theo Greenup
