

Lone JV's take third in tourney

The lone JV volleyball team placed third out of eight schools at last weekend's JV Tournament in Heppner, winning three games and losing one. Lone was the only 1A team in attendance and the only team to have two players, Kara Miller and Jenny Sullivan, named to the All-Star team. In the first game, the Cards defeated the Heppner JVs in a

close match, 16-14, 15-12. Freshman Sullivan served 11 points and played well at the net while Dawn Boor provided outstanding defensive play.

In game two, Lone played Sherman County, losing the first game 12-15 and winning the second, 15-3. Since they only played two games, the Cards were awarded the win based on scoring the most points. Miller served nine points and Boor had six. The Cardinal reserves saw plenty of playing time, and played well.

Next up was Umatilla, whom the Cards defeated 15-11, 15-4. Again the reserves played well. Sophomore Stephanie Hagewood had excellent serving and scored eight points. Jessica Cundell and LaRee Anderson led the team at the net.

In the final game of the day, the Cards defeated the Hermiston C team in the first game 15-6 but lost in the second 8-15. The deciding game was rally scored (team does not have to serve to get point) and the Cards fell 13-15. Brenda Holtz served eight points while Boor and Sullivan led in hitting. Miller played a solid all-around game.

Mustangs trample Vikings 35-7

The Heppner Mustangs opened up Columbia Basin Conference play Friday, Sept. 23, at Umatilla and defeated the Umatilla Vikings, 35-7.

The Mustangs wasted little time making the Vikings pay for their first turnover. Umatilla fumbled on the second play from scrimmage. Junior running back Shaun Hisler took a pitch around the right end and sprinted 47 yards with only 34 seconds gone in the game. Jon Hanna added the pat for a 7-0 Mustang lead.

Cornerback Eric Schonbachler intercepted Viking quarterback Shawn Tracy on the next possession, the first of four Mustang interceptions of the game.

Heppner scored again on a short drive with quarterback Brian Koffler hitting tight end Bill Schlaich with a 37 yard pass for the touchdown. Hanna was good on the pat for a 14-0 lead.

John Bowman with a three yard touchdown pass for the score. Steve Moe added the pat for a 14-7 Heppner lead.

The second half was all Heppner as Umatilla gave the Mustangs great field possession and Heppner cashed in every time.

Senior running back Chris Dickenson carried the ball five times on a short 16 yard drive after a fumble recovery for the Mustangs' third touchdown. Hanna was perfect again to make the score 21-7 Mustangs.

Heppner went 65 yards the next time they had the ball for the clinching touchdown. Koffler hit Brent Wright with a 30 yard completion on third down to keep the drive going and the twosome hooked up again for a 21 yard touchdown on a circus catch by Wright. The pat snap was fumbled but Hanna hit Hisler for a two point conversion for a 29-7 lead.

The Mustang defense continued to shine as sophomores Brent Gunderson and Jim Schlatich, both defensive starters, recovered fumbles to stifle Viking drives. Umatilla couldn't run the ball against Heppner and their passing attack was not working.

Chad Skroch put the icing on the cake with 54 seconds left, returning an interception 35 yards for a touchdown. The pat was no good, making the final score 35-7. Wright intercepted yet another pass as time ran out.

The win sets up a crucial game for the Mustangs next week at home. The Sherman Huskies come to town fresh from a 30-22 victory over the Weston McEwen Tigerscots. The winner of next week's game will have the inside track to the CBC League title. Game time is 7:30 p.m. at the Morrow County Fairgrounds.

Fillies win first league match

By Donna Moeller

The Heppner Fillies won their first league match Tuesday, Sept. 20, against the Pilot Rock Rockets, 15-7, 15-13.

In the first game Char Coe and Rondi Robinson were the strength at the net, Coe hitting six out of seven attempts, with Robinson hitting five for six. Pilot Rock made numerous unforced errors. Excessive heat caused fatigue to set in and at times caused sluggish play for both teams.

The Fillies came to life in

game two with exceptional net play. Power hitter Coe had five kills with help from Jenny Krein with five of six attempts. The Fillies served well, led by Krein with 16 serves for 100 percent. Kelsie Evans was seven for eight. Freshman Annie Hisler came into the game under real pressure to serve and was four for five. Overall as a team, the Fillies served 87 percent.

The Junior Varsity won in three games, 10-15, 16-14, 15-8. The "C" Team lost in three games, 16-18, 15-7, 12-15.
