

Ken Grieb alternate delegate to attend angus meeting

Ken Grieb, Lexington, has been elected as an alternate delegate to the 111th annual meeting of the American Angus Association, Nov. 13-15 in Louisville, Kentucky, reports Richard Spader, executive vice president of the American Angus Association.

Grieb, a member of the American Angus Association with headquarters in St. Joseph, Missouri, is one of 276 Angus breeders who have been elected by fellow members of their state association to serve as an alternate representative at the annual meeting. Represent-

ing 47 states and Canada, the state delegates will participate in the business meeting and elect a new president, vice president and five directors to the American Angus Association Board.

The annual meeting is held in conjunction with the annual convention and banquet and the Roll of Victory Angus Show during the North American International Livestock Exposition.

The American Angus Association has more than 25,000 active members and is the largest beef breed organization in the world.

Fall Term is well underway for Blue Mountain Community College in Morrow County. But those wishing to learn a new craft or pick up some computer skills are not too late.

Tin Punch Art is scheduled for this Thursday, Oct. 20 at the school district office in Lexington. Students will learn the art of tin punch and make a decorative wall-hanging in the two hour session, scheduled from 7-9 p.m. The instructor, Shannon Rust, also has other patterns available for future projects. Tin punch has become a popular way to decorate kitchen cabinets and other woodwork. Cost is \$7.50 plus a \$5 supply fee paid to the instructor.

"Shoebox to Photo Album" is scheduled for Sat. Oct. 22, also at the district office. "This class does more than photos organized in an album, it can help record family history with pictures and captions," says Anne Morter, BMCC coordinator.

Rust is the instructor for this class too and "is hooked on this method of photo storage." Rust says she knows the best kinds of pages to use for long-term storage and all the tricks of the trade to make each page come to life, like cropping, labeling and using colorful accessories. This class is scheduled for 9:30 a.m. to 1:30 p.m. Cost is \$10 plus \$5 lab fee to cover photo-safe album pages and other supplies. Students should bring a selection of favorite photos to class. To register call Morter 422-7040.

The class will be cancelled if there is not sufficient enrollment.

Upcoming computer classes include "Beyond Beginning Word Perfect" at Heppner High School on Sat. Nov. 19. "Intro to Word Perfect" Nov. 19 and "Intro to Spreadsheets" Dec. 3, will both be held at Riverside High School. All the classes run from 8 a.m. to 5 p.m. and should increase your computer knowledge in a one shot program, said Morter. Classes feature lots of "hands on" time and plenty of question and answer time. Cost for the classes are \$42 each. For more information on which class to take, call instructor Terry Calvert of Calvert Computer Systems in Athena, 503 566-3338.

Once a month cooking is offered with the orientation session scheduled for Nov. 3 at Heppner High School. Instructor Nancy Jespen will teach this proven method for spending less time in the kitchen. Students will prepare two weeks' worth of main dishes during the six hour cooking session scheduled for Nov. 12.

Contact Jespen 676-5244 to reserve a copy of "Once a Month Cookbook" available at a discount. Class space is limited so pre-registration is required.

BMCC also offers a variety of custom classes where the instructor comes to the work site. Any suggestions or recommendations for class offerings are welcome, said Morter.

To pre-register for any class call Morter 422-7040.
