Day Care to hold bottle drive

Heppner Day Care will be having a bottle drive during the month of November to earn money for new toys and needed supplies.
 Pop can receipts or cans may be dropped off at the day care. "Your support will be much appreciated," said a day care spokesperson.

Fillies lose to TigerScots

By Donna Moeller
 The Fillies lost on Tuesday for the second time this season to the Weston-McEwen Tiger Scots in two games, 9-15 and 6-15. The junior varsity won in three games, 13-15, 15-7 and 15-12. The C team also won in two games 15-0 and 15-10.
 The Fillies bounced back on Saturday to defeat Umatilla and Stanfield in CBC Tournament action in Heppner.
 The Fillies downed Umatilla in two games, 15-9 and 16-14. In game one Char Coe and Lori Moeller were successful at the net while Rondi Robinson strung five serves together to secure the win 15-9. In the second game Tina Kemp, Jessica Sumner and Tracy Dickenson did the job at the net with the help from setters Annie Hisler and Heather Ripple.
 In the second match against Stanfield the Fillies played outstanding, winning in three games, 15-13, 10-15 and 15-3. Senior Kelsie Evans played exceptional team volleyball. The

best term to describe her plan of attack would be "sneaky". When Stanfield expected her to spike the ball she tipped it and when they expected a tip she would slam the ball down like a bullet.
 Moeller had two great blocks at the net and made two impossible saves in the back court, getting the ball back to the net so Coe could drive the ball back over the net. Coe was the main intimidation at the net to lead the Fillies' offensive attack, as well as stringing three to five serves together in each game. Sumner displayed quickness in the back court, making two good saves. Robinson and Jenny Krein each had an ace serve. The Fillies played in unison, as one, showing a lot of aggression and desire to win.
 Their next game will be Tuesday, October 25, at home against the Wahtonka Eagles. This match could determine in what place the Fillies will travel to district play this weekend in Pilot Rock.

Cards earn spot in District Tournament

By Anne Morter
 The lone Lady Cardinals assured themselves a spot in the district tournament with their second win of the season over the tenacious Echo Cougars last Tuesday, 16-14, 1-15, 15-9. The game was played in lone but Echo's contingent of enthusiastic fans tried to bring the home court advantage with them. The lone crowd was brought to life by the Cardinal football team, who, after their practice was done, cheered loudly and helped the Lady Cards pick up their momentum.
 The match was squeaky close from the start. In game one, both teams had completed a total rotation before a point was scored. Neither team was able

to break away until the Cougars finally sprinted to game point with the Cards stuck on nine points. The Lady Cards refused to say die though, and posted a tremendous rally to take the game.
 In the second game, the Cardinals took the early lead but Echo played hard-hitting ball and took advantage of lone mistakes to the lead and the win.
 The third game saw some tremendous volleys again, and was very tight at the beginning. Then the Cougars began to make errors and the Lady Cards were able to capitalize, winning the marathon match that took close to an hour and forty five minutes to play.
 Mary Jane McCarty led the Cards in scoring with 12 points on 92 percent serving. Kim Bedortha had eight points with one ace and served 94 percent. Allison Sullivan had seven points and Melissa McElligott had six. Bedortha led the effort in the back row with 88 percent on 21 serve receives. McElligott and Suzie Heideman led at the net with 20 hits and one kill each. Bedortha and Sullivan also had a kill apiece.
 McElligott and Heideman led the team to 92 percent blocking. McCarty paced the team with 48 assists aided by the injured Becky Wagenblast. Lyndee Minster took over starting duties that night and did a good job setting, according to coach Charity McElligott.
 "I think they played very well," commented McElligott, she noted that many of the girls were coming off three days of no practice due to a field trip and that the whole team was very nervous prior to the match. "They deserved to win, as hard as they played. It's good to have these types of games before district," she said.
 The Lady Cards are now 7-0 in league play with three league games remaining.
