ing to see the friendship and devotion that these two men had for my brother almost 30 years ago lead to such a tribute not only to my brother David, but to all the men who went through the same thankless ordeal.

I know many people feel the young men who died half a world away for a cause we were not allowed to win, died in vain. Part of me feels the same way, but part of me says that is not true. Although most people felt we did not belong in Southeast Asia, my brother, David, knew why he was there. I don't fully understand that, but that is not important. The important thing was for David to understand it, and evidently he did. I do know that he wanted to go so someone else would not have to. Stand tall David.

I want to thank you all on behalf of my immediate family, my wife Judith, my two daughters Kathrine and Michelle, none of who knew David but by being there got to know him a little, and for myself who will always consider Heppner as home. Thank you.

Sincerely, Donald L. Clark, Jr. 2-15-1c

I would like to thank everyone for their prayers, calls, cards, flowers and many acts of kindness during my recent illness. A special thanks to the ambulance crews from lone

and Heppner and the doctors and staff at Pioneer Memorial Hospital.

Robert Heideman 2-15-1c

A great big thank you to all our children for all the time, effort and thoughtfulness they put in for the open house they held for our 25th wedding anniversary and to those who braved the weather to come out and wish us well and to whomever paid for our dinner. It was delicious.

Thank you, John & Nella 2-15-1c
