**In the Service**

Navy Fireman Erik T. Jorgensen, has completed a six-month deployment to the Western Pacific Ocean and Persian Gulf aboard the destroyer tender USS Cape Cod.

Jorgensen was one of more than 1,400 sailors aboard the 645 foot long repair ship, homeported in San Diego. Jorgensen and fellow sailors used the tender's high-tech electronics repair equipment, sophisticated machine shops, and divers with underwater welding equipment to provide repair services to U.S. Navy ships in port in Bahrain and the United Arab Emirates. Jorgensen's ship can perform a wide-

range of shipboard maintenance and also can provide logistics support to Navy units in remote areas such as the Middle East.

Earlier in the deployment, Jorgensen and fellow crew members spent two months in Yokosuka, Japan, where they completed more than 2,000 repair jobs in support of the "no-fly" zone over southern Iraq.

In addition to traveling 23,493 miles during the deployment, Jorgensen and the Cape Cod crew also visited Hong Kong, Singapore, Bali, Indonesia and Pearl Harbor, Hawaii.

Jorgensen's involvement in the deployment reflects the Navy's unique capability of being able to conduct air, ground and logistics operations supported entirely by ships at sea, a critical option in regions where access to land bases is limited or does not exist.

Jorgensen is the son of Don Jorgensen of Irrigon and is a 1994 graduate of Riverside High School, Boardman. He joined the Navy in July 1994.

**Chamber Chatter**

By Claudia Hughes, Chamber Manager

Springtime...well almost. It just depends what hour you look out the window. It is however, the time of new beginnings, birth and renewal. The following story was recently brought to my attention and seemed appropriate to share as we began many new community projects.

"Let George Do It". Then there are those who never become involved in the needs and problems of their community. This attitude reminds me of the shipwrecked men in a leaking lifeboat. From the bow of the lifeboat, the men watched as those at the stern bailed furiously. One at the bow said, "Thank goodness, the hole is not in our end of the lifeboat!" Let's keep this story in mind as we offer support and some volunteer time to bring success to Heppner's many projects.

Next week at Chamber come prepared to ask Rep. Lynn Lundquist and Senator Greg Walden questions as we participate in the monthly chamber conference call with Salem.

Thought for the week: Have a happy Easter and prepare for new beginnings.
