**Letter to the Editor**

**Impressed with volunteer**

To the Editor:

I wish to share with you what struck me as a plus side to living in a small community such as Heppner over the big city.

On our recent visit, April 6 through 8, to my hometown Heppner where I was born and raised until 18 years of age, I found a very strong community spirit among the people there. There were many people, including my mother Eleanor, who were involved in volunteering to help others in various ways, such as working at the community center rummage sale, at the Senior Center, the Elks Lodge, and many other locations.

Among those involved one person stood out and I feel he deserves an honorable mention. Tim Cundell is a civil servant who is an Oregon State Patrolman, who daily puts his life on the line to protect and serve. Not only that, he also donates a large part of his off-duty time sharing his talents as

a musician and singer.

My wife, mother and I had the occasion to stop by the Senior Center Saturday evening to dance to the music of the talented Mr. Cundell. Later Tim and I shared some time in conversation regarding his talents and our professions in law enforcement.

I must tell you, I was very impressed with Tim, his giving of his time and talents. I understand that on Sunday Tim performed for the patients at the hospital and has given his time willingly many times before.

You all must be proud. I know I felt so. We wish the best to you all in Heppner. We always enjoy our visits to Heppner and renewing old acquaintances. Tim, we wish you the best. Mom, we are especially proud of all of your involvement in the community. Well done Heppner.

Sincerely,  
(s) Ray Gonty

**Benefit golf tourney planned**

The Willow Creek Little League is sponsoring a four-man scramble golf tournament this Saturday, April 22, at 8 a.m.

**In the Service**

**Air Force Airman Danette L. Bozarth** has graduated from Air Force basic training at Lackland Air Force Base, San Antonio, Tx.

During the six weeks of training the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree through the Community College of the Air Force.

Bozarth is the daughter of Mr. and Mrs. Ira Bozarth, Boardman. She graduated from Riverside High School in 1991.

**Chamber Chatter**

By Claudia Hughes, Chamber Manager

The week of April 30-May 6 has been proclaimed "Small Business Week" by President Clinton. It is fitting that the nation be led in a salute to the small business men and women who contribute so much to America's economy and society. While trying to run their businesses, they are also contributing hours of time and energy to keep their communities vital and healthy.

Take a moment to pop into Heppner's small businesses up and down Main street, and say, "Thanks for making this a wonderful place in which to live and work." Just think how our Main street would be if it were not for them (and some side streets too).

In the near future, the Chamber will be holding a "Good Morning, Heppner" session for the business people to gather input from them on the design for the Main street revitalization project. Gary Marks, city manager, and others will be on hand to answer questions and compile ideas. Every opinion is important. It is your town, so share your ideas with the city, chamber, and business people of Heppner. Completion in 1998 will be the year to celebrate.

Thought for the week: "If you laugh a lot, when you get older, your wrinkles will be in the right place."

Proceeds will go towards the Little League, and to the George Waterland family.

The cost is \$15 per person. Those interested should contact Rollie Marshall or John McCabe.

**Marriage Licenses**

The Clerk's office at the courthouse in Heppner reports issuing the following marriage licenses during the past week:

April 6: Lonny Ray Meredith, 39, Irrigon; and

Mickey Louise Barker, 46, Irrigon.

April 14: Jose Flores Martinez, 29, Boardman; and

Maria Hernandez Padilla, 23, Boardman.

**Tendonitis & Bursitis Should Be Treated**

Tendonitis and bursitis are painful conditions that involve body tissues near or connected to the joints. Neither should be left untreated.

Tendonitis is an inflammation of the tissue that connects muscle to bone. The most common cause of tendonitis is the trauma of excess physical activity, such as that experienced by nonathletes who suddenly run a long distance without adequate stretching or warm-up. The Achilles tendon (connects the calf muscle to the heel bone) frequently is involved in tendonitis. The shoulder and elbow also are commonly involved.

Bursitis is an inflammation of the fluid sacs or pouches located between bones and ligaments or tendons. These sacs or pouches help eliminate friction and maintain smooth muscle movement over the bones.

The treatment of tendonitis and bursitis is similar - decrease pain, swelling, and inflammation. Injections of steroids may be necessary if nonsteroidal antiinflammatory drugs (NSAIDs) are not effective. NSAIDs prescribed may include *ibuprofen*, *naproxen*, *etodolac*, and *sulindac*. Compression bandages may be applied to support weak joints and to decrease swelling.
