To the fine people of Heppner and its surrounding families, students here on the Centennial-Heppner exchange thank you for your generous hospitality over the past week. For the past 15 years, students in the Centennial school district have felt extremely fortunate to have established such a positive learning relationship with this community. To those homes and families that opened their doors and hearts to our young people, you're special. To those people and organizations that shared their time, energy and knowledge, you're super.

Needless to say, we are grateful to the Morrow County School District and the 'Heppner family' in making this educational opportunity available to our young people.
Sincerely,
Dave Olcott
