

Baby sitter training course offered

Do you or someone you know ever wish for a trained, reliable baby sitter "on call"? Do you know of a youth, 11 years old or older, that would like to learn a valuable life skill and be trained to earn money at the same time?

A good way to resolve these concerns might be to sponsor a youth, or encourage your own child, to participate in the baby sitter training to be conducted on June 8-9 from 10 a.m. to 2 p.m. at the Heppner Middle School cafeteria. This is the fourth year for this very successful program, says Carol Michael-Bennett, Morrow County Extension agent.

At the training, youth can learn what is expected while baby-sitting; how to conduct a business; how to handle emergencies; how to stay in control in a variety of situations; the needs of children at different age levels; simple meals and snacks; and much more.

Registration is on a first-come, first-serve basis. The registration fee of \$4 will cover class materials. All participants need to bring a 3-ring binder and their own sack lunch each day.

To register, contact the Morrow County extension office, 676-9642, or 1 800 342-3664 with your registration fee.

By April Sykes

Dianne Henrich, former Heppner resident, has been chosen the 1995 "Woman of the Year" by the Department of Energy, Richland Operations Office (DOE-RL) Federal Women's Program.

Henrich, the daughter of Stanley Cox, Heppner, and Shirley Whitney, Milton-Freewater, was born in Heppner and graduated from Heppner High School. In 1976 she moved to the Tri-Cities, WA.

She is employed as the program assistant for Bob Rosselli, DOE-RL assistant manager for technology management.

Henrich started her career as a secretary for the U.S. Forest Service in Heppner and then moved to the DOE-RL mail-room, working herself up to secretary for the assistant manager for administration in 1984. The position involved interviewing and training all new DOE secretaries. Last year, she moved to the Energy, Environmental and Sciences Building as Rosselli's program assistant in technology management. She spent a month in Ohio working on a DOE "Tiger Team".

Henrich and her husband, Tom, have two children, Donovan, 21, and Tatom, 14. Henrich has played weekly softball games with the Kenewick Women's League since 1978 and has managed the "Bandits" for several years. She is the team's only pitcher.

Cub Scout Pack 661 presents awards

Cub Scout Pack #661 held its meeting May 21 at the Heppner Elks Lodge.

The opening and closing ceremonies were done by the Wolves Den. David Norton and Samuel VanLiew played the song "American Patrol" on their trumpets for the Pack and audience.

Several Webelos received their activity badges: Robert Whalen and Frank Ledford, both communicator badges; Adam Bergstrom, communicator, engineer, and athlete badges; Chris Dilley, communicator and engineer badges; Samuel VanLiew, handyman, citizen, geologist, and communicator badges; and David Norton, citizen, handyman, athlete, communicator, and geologist badges.

The Wolves showed the bird houses they had built and told about the tools they used to construct these houses. Tyler Boyer, Josh Gutierrez, Ryan

Campbell, Aaron Delveaux and Josh Lankford earned their Wolf badges.

Tiger Cubs Riley Wight, James VanLiew, Christopher Rayburn, Jesse Kurts, Roy Proctor, Sloan Keithley, and Mike Britt have graduated to the Wolves Den. Each boy received a gold neck scarf to wear with his uniform.

David Norton earned his Webelos Badge. Once he has completed his arrow of light achievements, he can advance to the Boy Scouts.

Aaron Griffith from the Bear Den had earned his Bear Badge, but he was not present to receive his award.

Kelwayne Haguewood, on behalf of the Pack and the Elks Lodge, received the Charter and Quality Unit award. These awards will be displayed at the Elks Lodge.

The Bears Den reported that they are planning a campout.

They are hoping to find strawberries or something and learn to make jam. They also have some other activities planned. The Webelos are also planning a campout some time this summer.

The following den leaders and volunteers were recognized for their service and help throughout this past year: Sandra VanLiew, Tiger Cub leader and committee chairperson; Tom Norton and Hal Bergstrom, Webelos leaders; Kelly Boyer and Valery Campbell, Wolves leaders; Bob Nairns, Bears leader; Kelwayne Haguewood, assistant Cub master; Chuck Nelson, secretary and treasurer; Bruce Young, Cub master; Rita Bergstrom, publicity.

Sandra VanLiew will be retiring from her positions, so the Pack will need someone to step forward to help fill the position.

New X-ray equipment installed

After months of fund raising efforts, Pioneer Memorial Hospital's X-ray improvement project is complete and the newly installed unit is available

for patient use. Hospital administrator Kevin Erich said the upgraded equipment will enhance the quality of patient care while ensuring the local availability of certain diagnostic services, including fluoroscopy. He added, "We deeply appreciate the funding support we received for the X-ray project and we are pleased to offer improved radiographic capabilities to our community."

Total costs for the X-ray project were \$106,300, with \$60,500 of that amount raised through grants and donations. The former owners of Kinzua Mill contributed \$25,000; Pioneer Memorial Hospital Foundation committed \$15,000; The Collins Foundation of Portland donated \$10,000; First Interstate Bank contributed \$3,000; the Bank of Eastern Oregon added \$2,000; and \$5,000 in private donations were raised.

DA's Report

The District Attorney's office at the courthouse in Heppner reports handling the following business during the past week:

May 25: Malachi R. Vernon, 54, Irrigon, was convicted of Rape I, Sodomy I, Contributing to the Sexual Delinquency of a Minor, and two counts of Sexual Abuse III. The conviction stems from an incident which occurred Dec. 2, 1994, when Morrow County Sheriff's deputy Steve Myren apprehended Vernon in the act of sexually abusing a 14 year-old girl in the area known as the "Turkey Shoots" between Boardman and Irrigon. Vernon had previously been convicted of Murder II, Armed Robbery; four different Burglaries, Sexual Exploitation of a Minor and Theft. On the basis of his prior convictions, Vernon was sentenced to nine years in the Oregon State Penitentiary. The conviction in large part rested upon DNA evidence obtained from the crime scene and the defendant;

William M. O'Leary, 35, Boardman, was convicted of Sexual Abuse II and sentenced to five years probation. The jail sentence was suspended on the condition that he undergo evaluation and treatment for sexual abuse through a sex offender's treatment program, undergo periodic polygraph and plethysmograph tests, refrain from contact with anyone under the age of 18, abstain from alcohol and be registered as a sex offender.

Lydia Lopez Pena, 34, Boardman, was convicted of Possession of a Controlled Substance (methamphetamine). She was ordered to serve 18 months probation. Her jail sentence was suspended on the condition that she undergo evaluation and treatment for alcohol and substance abuse.
