

### Chamber Chatter

By Claudia Hughes, Chamber Manager

We human beings are often guilty of trying to control people and things and begin to think we've succeeded when all of a sudden we're given a needed reminder that some things are beyond our control.

As experienced this weekend, in just a few minutes, a storm can put many lives in turmoil. Friends traveling back to Seattle got caught in the hailstorm in Hermiston. Thankfully, they were safe, but their recently refurbished Volkswagen Rabbit was the recipient of many large dents. Other than a yard full of debris, we were okay; how about you?

The Main Street planters are looking good, thanks to Garden Club members and the faithful water haulers up and down Main street. Stick your head in a door and say thanks.

Heppner is certainly going to miss Jon and Marcia DeBo and their family. In two short years, they became a very big part of our community, serving on the Chamber Board of Directors, city council, St. Patrick's Committee, chamber treasurer, etc. Losing these great volunteers and friends will be Heppner's loss and Silverton's gain. They know how to "bloom where they're planted". The Chamber wishes them well.

Chamber members will be boarding a bus next week for the annual "HOB0" tour rather than the usual lunch at the Elks. Members should meet at the Chamber Office Tuesday, July 18, at 9:45 a.m. The tour will include Finley Buttes, Capeco Housing, lunch at the Boardman park and Coyote Springs. Call 676-5536 and leave a message to reserve a spot and order your brown bag lunch by Monday, July 17.

**CARD OF THANKS**

The family of Anita Boyer returns our most heartfelt thanks to all the friends and neighbors who shared their time and condolences with us during our recent loss. You showered us with kindnesses, brought us food enough to feed a small nation, lent a hand with preparations for the service, ran our errands, helped us find the laughter, carried us through the tears, and quietly smoothed the way for us with thoughtful deeds too numerous to recount. None of us will ever remember the pain of these grievous days without also remembering the sweet generosity and solace you linked so inextricably to them. Our deepest gratitude to you all.
