## Ronald McDonald to entertain at fair 4-H presentations a part of fair

Ronald McDonald will be on hand at the Morrow County Fair this year. Ronald will entertain for the enjoyment of the young and not-so-young on Wednesday, August 16, from 4-5 p.m. at the outside stage near the picnic area.

Have you ever wondered how to "Lead Train a Puppy", "Make Roly Poly Dolls", or the "Origin of the ABC's"? These are examples of presentation topics at the 1994 Morrow County Fair. "We don't know what the topics will be for the '95 fair," shares Carol Michael-Bennett, 4-H agent, but members have registered for individual and team presentations and there should be a topic of interest to everyone.

Competitive presentations (called demonstrations in past

years) will take place on Friday, August 18, on the kitchen stage in the 4-H annex. "Moving presentations into the annex should provide much better acoustics, and make it easier for the audience and the presenter to hear each other," said Michael-Bennett.

Presentations will begin at 8:30 a.m. and continue until around 2 p.m. The Beef Am-

bassador Presentations, a combination of an illustrated talk and food preparation, will conclude the competition. Contestants always appreciate an audience. Please drop by the 4-H annex on Friday morning, watch a presentation and encourage the speakers with your presence. Who knows what wonderful new information you will learn about!
