- *Visit the Morrow County Museum
- *Cool off at Willow Creek Lake
- *Volkswalk info at Red Apple

Look What Kids Can Do!

PO Box 1232 Heppner, 9-5 Tues. & Weds.

Day Care to sell kabobs at parade

Heppner Day Care will have a food booth in front of Les Schwab Tire Center during the parade.

Volunteers will barbecue marinated beef and lamb kabobs. There will also be hot dogs for the children, along with lemonade and iced tea.

All efforts are volunteer and all profits will go the Day Care Center for childcare programs.

Day Care invites everyone to come down, enjoy a meal and help support early childhood development in Morrow County.

Fair admission at gate \$2

The gate admission this year is again only \$2 per day. Also available this year are the season passes selling for \$10. The season pass will get you into the Fair gate Wednesday through Saturday and the Morrow County Rodeo on Sunday afternoon. You may purchase your season pass at the Fair office.

The Fair Committee is donating \$50 to the person with the lucky numbered gate pass.

The gate pass will not get you into the Oregon Trail Pro Rodeo.

Do you ever feel like there is too much news about what is wrong with youth today? Here is your chance to come and see what youth are doing well: the Fair Awards Program, Saturday, August 19 at 4:30 p.m., is a must for 4-H youth, parents, leaders and anyone that enjoys young people.

At the Awards Program, the 4-H and FFA awards are given, as well as Open Class Creative Hand Award. It is always fun to see who wins the traditional "Grand Champion" and "Outstanding..." awards. But is also fun to see which younger member receives the "Champion Junior Cookie Maker" or "Quick and Easy Ground Beef" award.

JOHN DEERE
 New 8000 Series Tractors deliver fast-acting hydraulics, extraordinary hitch-lift capacity, and exclusive TouchSet™ hydraulic controls

- Four new models: 160-hp 8100, 180-hp 8200, 200-hp 8300, and 225-hp 8400.
- Set hydraulic rate and flow from your seat, on-the-go.
- Exclusive timed detents let you adjust the length of time oil flows, to eliminate inadvertent lever kickback.
- Get up to 2,900 psi hydraulic pressure; up to 30 gpm flow at the SCVs.
- Optional electrohydraulic depth control eliminates mechanical depth stops.
- First tractors to feature fully integrated row guidance (optional).
- Lift over 15,000 pounds with the two largest models, over 14,000 pounds with the two smaller models (optional).
