

Children & Families commission meets FFA officers attend K.C. convention

The monthly meeting of the Morrow County Commission on Children & Families will be held Tuesday, Nov. 14 at Riverside High School in Boardman from 7-9 p.m.

The main topic of discussion will be the approval of proposals for Community Development funds. The public is invited to attend and participate in the discussions. For more information, call 676-9675.

Heppner High School (HHS) Future Farmers of America (FFA) chapter officers Josie Proctor, Frank Martin, Mandi Gutierrez and Tina and Toni Kemp are in Kansas City for a week-long national FFA convention.

The five students will participate in workshops representing Oregon and the Blue Mountain FFA district, which includes Heppner, Condon, Mac High, Pendleton, Hermiston, Stanfield and Riverside.

The students' expenses were paid through fund raising events and by the students

themselves. "The town was great about supporting us," they said.

The students also plan to help support Zane Martin, former HHS FFA officer, who is receiving the American Farmer Degree, the highest FFA honor in the nation. Martin is also up for the Star Nation Award. Only five people are awarded nation-wide.

The students were accompanied by former HHS vo-ag teacher and FFA advisor Bil Umbarger of Pendleton, and Chuck Miller and his wife of Hermiston.

Last year's convention drew over 34,000 participants.

Heppner High School FFA chapter officers: (l-r) Josie Proctor, secretary; Tina Kemp, president; Frank Martin, sentinel; Mandi Gutierrez, reporter, and Toni Kemp, treasurer.
