Community Thanksgiving dinner planned at All Saint's Church

It is time to gather again with friends and family for the Thanksgiving dinner at All Saints Episcopal Church. Dinner will be served Thanksgiving Day, Nov. 23, at 1 p.m. Everyone is welcome to attend, especially those who would otherwise be alone for the holiday. Those who wish to contribute

something may bring a side dish, salad or dessert, but it is not necessary, said an All Saints spokesperson.

In addition to the ball game on TV, table games, cards and visiting will help make a "great Thanksgiving Day," said the spokesperson.

For information or a ride to the church, call Bob or Aloha Despain, 676-5376.

Creative Memories craft sale Nov. 18

The Creative Memories Craft Sale will be held Saturday, Nov. 18, from 7:30 a.m. to 2 p.m. at the Rebekah Lodge Hall in Lexington. The fair will feature Christmas items, all-occasion gifts and this year, some "choice" antiques. The annual sale has been moved to a new location this

year and will have an early opening hour to accommodate people who work on Saturdays.

Creative Memories was started three years ago by Betty Christman and Lorrene Montgomery, known as the Lady Bugs in the 1980s. Several family members and friends are involved in the sale this year.

Internet introduction class to be offered

Eastern Oregon Computer Consulting (EOCC) has planned a two-hour Internet orientation class in December for people wishing more information on accessing the "information superhighway".

The class is an introduction to using the Internet through the computer.

EOCC is operated by Pat Struthers, formerly of Heppner, and Steve Amsberry. The

EOCC class includes a printed manual and phone support for an Internet subscription period. A computer (286 PC-compatible, Apple II, Commodore 64 or comparable computer), a modem and a subscription to an Internet service provider are required for accessing the Internet.

For more information or to sign up, call Struthers at EOCC, 1-541-278-2366, or sign up at Ployhar Insurance in Heppner.

The times and location of the evening classes will be announced at a later date.

Chamber seeks board members

Nominations are now open for three three-year positions and one two-year spot on the Heppner Chamber of Commerce Board. Nominations will be accepted until Tuesday, Nov. 21.

The Chamber of Commerce Board of Directors provides leadership and serves as a policy-making body. There are nine members on the board

with the past president serving as ex-officio.

Chamber members are invited to nominate individuals. Candidates should have shown past interest in the Chamber and be committed to attending monthly board meetings, the annual goal-setting session and as many Chamber meetings as possible. Nominations may be called into nominations chair Bob Kahl.

4-H News

The Wild Riders

By Jennifer Flankin, reporter
On Sunday, Oct. 29, the Wild Riders 4-H horse club got together to hold a Halloween party at the fairgrounds that the club had been planning for several weeks.

All of the members came early to decorate. Judy Eckman and Terra Adams brought refreshments. Ken Eckman brought the barbecue and Mike Proctor cooked.

The party started at about 1 p.m. The parents judged best costumes. Shortly after, the games started; there were five altogether. The first was drawing a face on a pumpkin as you rode by.

The second game was the egg-on-the-spoon relay. The third was a balloon relay. A rider would carry a balloon on a string in their teeth to the middle of the arena, then give it to the next rider without using hands.

The fourth game was "musical horses". Riders would go around, then jump off onto feed sacks when the barrel was hit. The last game was doubles bareback.

After the games were completed, the club members and parents has hot dogs and other snacks.

Heppner WE CAN HELP YOU 676-9961

The Gribble Family does it again

First- It was bringing Shell N.H3 Fertilizer into the Morrow County area.

Second- They started Willow Creek Country Club (a community-owned golf club).

Third- They changed the name of Preventative Maintenance to Predictable Maintenance.

Fourth- They helped develop "Ultra-Vibe Lubricating Monitor" (U.V.L.M.) -- a winner for improved maintenance and lubrication.

Fifth- They are proud to announce that they have been selected to sell a new product called "Systems-48 Plus", a product that helps overcome one of the major problems in lubrication, "friction".

Look for a "48 Plus" facts sheet at the following local retailers: Cal Sherman's B.P. Station, Heppner; Lexington Service, Lexington; Dave Barnett, Ione, or call 676-9627.

SNOW FLEX TRACTION RADIAL RETREAD

What makes Snowflex® so special? Quite simply it's the rubber! The Les Schwab Snowflex® is made up of hydrophilic rubber which was originally developed by the U.S. Space program for tires used on the moon rover. Normal rubber gets harder as weather gets colder and reduces tire traction. Hydrophilic rubber stays more pliable in the cold providing better traction in extreme cold.
