Flu vaccine is still available

The Morrow County Health Dept. (MCHD) is concerned about the immunization status of Morrow County residents. So far this year, MCHD has only immunized 976 individuals, 332 on the north end of the county and 633 on the south. "This is substantially less than last year," said MCHD director Laura McElligott, R.N. The first case of flu in our state was reported on Nov. 4. Flu vaccines are still available at all of the regular clinics in Boardman, Irrigon, Lone and Heppner.
