Community development funds available through the M.C.C.C.F.

The Morrow County Commission on Children and Families has established a Community Development Fund to be used for anticipated yet unidentified community needs and to leverage other funds and resources into services, advocacy and unique application projects for the children, youth and families of Morrow County. There will be approximately \$1,100 available each quarter and the maximum grant would be \$500.

Examples of reasonable Community Development Fund requests include: seasonal program needs; small capital expenditures; service program staff training; one time events

and pilot projects. Home day care providers may also apply for funds to enhance the quality and availability of their services but they must be registered by the state or have registration forms submitted to the state for approval at the time of request for funds.

Proposals will be reviewed on Tuesday, March 12 during the monthly commission meeting, but must be received by the commission office by Thursday, Feb. 29 to be considered. Copies of request procedures are available at the commission office at 471 North Main, Heppner, or by calling 676-9675.
