This is a very belated, but still earnest thank you to Jeff Wilson and Andy Burt. I had a bit of a mishap on the ice right before New Year's and they stopped and helped me out. They not only didn't hit me

when they came around the corner and my car happened to be facing the wrong direction on their side of the road, but stopped and helped me get it unstuck and turned around. I appreciated the both of you that night very, very much. Thank you again.
