

# Lone Cardinal boys lose heartbreaker

Petr Hybs goes up for the shot

It almost was, but not quite, as the Lone Cardinals Boys team lost a squeaker, 72-69, to Powers in the State 1A consolation finals Saturday in Baker City.

The Cards three point shooting was hot, as they set a tournament record 14 of 29 attempts from three-point land.

Luke Swanson lead the attack, downing 6-for-11 three pointers, followed by Steve Allen's 3-of-5, Jake McElligott's 2-for-5, Jon Garrett's 2-for-7 and Kelly Morgan's one.

Luke Swanson led all scorers with 24 points, followed closely by McElligott with 18.

The game was close all the way, with the teams tied at 34 apiece at the half, and it finished up a nail biter when Lone's

Steve Allen pulled the Cards to within two with a minute left in the game. Powers went back up by four on free throws, and then Allen hit a three pointer with 12 seconds left to narrow the gap. Lone got the ball back

again but with five seconds left couldn't get a shot off.

Other scoring for the Cards was as follows: Allen, 11, Kelly Morgan and Jon Garrett, 6, Petr Hybs, 2, and Joe Bacon and Mark Orem one each.

## Cardinals fall to North Clackamas Christian

The Lone Cardinals put on an amazing 20-2 run near the end of the third period, but were unable to pull out the game, falling to North Clackamas Christian 60-57 in the opening round of action at the State 1A basketball tournament last week in Baker City.

The Cards got behind by as much as 31-14, but managed to bring it back close before being nipped at the end.

Luke Swanson and Petr Hybs shared scoring honors with 12 each, followed by Jon Garrett with 11, Jake McElligott, 9, Steve Allen, 3, Joe Bacon, 4, and Mark Orem, Kelly Morgan and Jacob Taylor with 2 each.

## Irish Family

from page 1

ding of a birth was in the parish church records. In many cases, the records stated the name of the child as "baby boy" or "baby girl" followed by the parents' last name. Upon applying for his social security benefits, William had to get records from Ireland to verify his date of birth. At this time he learned that the birth date he had used his entire life was actually his older brother's birthday. Although he discovered he was three years younger than he thought he was, and without a doubt was happy about this discovery, he continued to celebrate his birthday on June 9 the rest of his life.

William returned to Ireland with his wife, Katie, in July 1955. They had dreamed of returning to Ireland to live but after visiting their homeland for about one month, they decided the grass was greener in Heppner and returned there to live out the rest of their lives.

Of the seven children born of this marriage, only three are still alive. W.P. (Bill) Cuning-

ham has lived in Goldendale, Washington, with his wife Mary since 1938. Elizabeth (Betty) McDonald has retired and lives in Heppner. Robert Cunningham lives in Ontario, with his wife Esperanza.

The following children are deceased: Mary Blettell, who died in 1989; Kathleen Cox, who died in 1965; Helen Moyer, who died in 1948; and Rose Hams, who died in 1972.

After the death of their daughter Helen in 1948, William and Katie raised her two children, Francine and Bruce Moyer. Francine was four years old and Bruce was three years old when their mother died. Bruce Moyer lives in Lolo, Montana, with his wife Diane. Francine (Moyer) Howard passed away in 1986.

William and Katie have 16 grandchildren, 21 great-grandchildren and several great-great grandchildren.

Katie died on May 23, 1973, at the age of 82. William died on June 10, 1973, just 18 days after the death of wife of 61

years. William was two months short of his 89th birthday. They are both buried in the Heppner Cemetery.
