I would like to give my appreciation to two wonderful people. If it wouldn't have been for these two people, cheerleading wouldn't have been fun. I am a senior this year and will really miss these two. I hope they will stay with it next year and the years to come.

Jolynn Britt, also known as JoJo, thank you for your support. If it wasn't for you, we wouldn't be where we are today. You took us through camp, football season, competition, and on to win third in state. You had to put up with a lot and you helped us in the process. I will never forget you and will stay in touch with you through my college years. I'm looking forward to seeing what you can do for the squad in the future. Don't let anyone tell you that you haven't done a good job; for as I see it, you have done a great job. Just remember that if it wasn't for you, the cheerleaders wouldn't be where we are today. I will miss you next year and I wish you good luck!

Kelly Boyer is the other person I would like to say thank you to. If she wouldn't have volunteered her time, there would have been no cheerleaders for basketball season. Thank you, Kelly, for all your volunteered time and for all your patience. At times, you have probably felt like it was a mistake, but we are all grateful for your time and effort. You have been a great advisor, so don't let anyone tell you that

you haven't. You have been great in supporting us in our time of being gone for competitions. No matter what is going on, you seem to be the one who never stops wearing the smile. Thank you so much, and I hope you will stay with the squad next year. I know that they will appreciate it, because I would. Thank you!

I want to also thank everyone in the community for your support. I have never seen a town so supportive in my life. Coming from a big town, this is all new to me. I know that the squad is thankful for your support and involvement. I'm glad that I got to participate in cheerleading and perform in front of a great crowd! Thank you for your support and I hope you will further support the cheerleading squads in the future!

Cheers!

On behalf of the Oregon Trail Pro Rodeo Committee, I would like to thank everyone who donated their time to make the St. Paddy's Motor Barrel Race and team roping such a success:

Kenny Grieb for announcing the barrel race; Dave Fowler for filming and Wayne Sietz for keeping the riders in order and ready. The motorcross was bigger and better than we expected and we appreciate all the volunteers and participants. Thanks also to the sponsors-Lexington Polaris and Cycle-town in Hermiston.

As for the team roping-thanks to a great committee. Also, to the volunteers who do all the behind-the-scenes jobs that often go unseen but that are the backbone for a successful event. They are: Chuck

Matteson, Jared Eckman, Casey Evans, Darcy Coil, Bill Gentry, Meghan Bailey, Madison Bailey, Jim Boor, John McCabe, Bev Steagall, Josie Kinsfather, Michael McCabe, Lacey Matteson, Brett Barber and Cara Osmin for the stereo system.

Thanks again to everyone who had a hand in making the weekend a success and fun for the entire family. Hope to see you all in August at the Rodeo!

Sincerely,
Ken Bailey, Chairman
