Local museum sci-fi exhibit

There may be Tye-fighters and X-wings flying around the Morrow County Museum, or possibly Buck Rogers or Klingons. When is the last time you took a trip into the future? The museum will be hosting a temporary exhibit of science fiction collectibles from local sci-fi buffs May 5-25.

The sci-fi group is in the beginning stages of creating a club that will meet monthly and share interests with other sci-fiers in the community. They are looking for students and adults to join in this opportunity.

On Saturday, May 18, from 2-4 p.m., there will be an open house at the museum and an opportunity to meet with fellow sci-fiers.

Anyone who has a sci-fi collectible to loan to this exhibit or anyone interested in sci-fi books, movies or collectibles should call the museum, 676-5524 days, or 676-9046 evenings.
