Chamber Chatter

By Claudia Hughes, Chamber Manager

Have a great 4th of July. Sparks of this and that.

The Heppner 'Paddy Wagon' which promotes both our Fair and Rodeo and the Wee Bit 'O Ireland celebration was scheduled for new letters and paint touch up to ready it for lone's 4th; however, a gremlin lurking about caused the water pump to go out. On this particular vehicle, it's more than a day at the shop to fix the problem. Our intentions were good.

During the summer months, the Chamber has more contacts and visitors than usual. One visitor, hauling his covered wagon and team of horses, got a pit panicky as he arrived in town to the blast of siren testing. He was reassured and guided to Divide Wells to join the annual excursion.

A phone inquiry from Kellogg, Idaho asked if Heppner had a bicycle repair shop and if we had any "weird bike rules, as in no bikes on the sidewalks". He was informed that bicycles could certainly park in front of the businesses while visitors partronzized the stores, and that we would enjoy his visit on the way to California. Now that Heppner has been published in a guide to great cycling in eastern Oregon and Washington, bike repair might just be a great addition for a local business.

More correspondence continues to arrive from people with the name of Heppner. It seems the Heppner family holds a reunion every four years. This year Abbotsford, B.C., is the location with registration of 252 attendees. (A bit more than Heppner could handle, but if we have until the year 2,000, maybe we could work something out with Pendleton.

Some chamber members will be attending the Oregon Cattlemen's Assoc. first annual environmental Stewardship Tour on July 13 beginning at 8 a.m. through the evening barbecue. For more information call Mark Rietmann 676-9823. Registration must be in this week.

Thought for the week: "No foreign policy (consultant's study, plan, etc.) no matter how ingenious, has any chance of success if it is born in the minds of a few and carried in the hearts of none." Henry Kissinger 1973.
