BMCC van to increase access

Wheelchair-bound students will have better access at Blue Mountain Community College (BMCC) as a result of a grant awarded to BMCC.

The \$39,870 grant will be used to purchase a van with a lift to accommodate wheelchairs, according to Cynthia Hilden, special services provider. The grant is administered through the Dept. of Justice from Petroleum anti-trust funds. Under the provisions of the grant, no matching funds are required.

According to Hal Daley, BMCC business manager, the van will be added to the regular college fleet. Campus personnel can access it on a first-come, first-served basis and is available on a district-wide basis. The van can be used to transport students to off-campus labs and other college activities. The van will not be used to provide daily transportation to and from campus, Hilden noted.

CARD OF THANKS

Thank you to all the firefighters who put out fire on the Warren Ranch. We appreciate your help.
Ellis and Rick Pettyjohn

We would like to try and express our gratitude and deep appreciation to the following people:

Chris Jones, Tony and Truit Greenup-if you hadn't gone back to check on the boys, we believe in our hearts this event would have been much more tragic. Not a day goes by that we aren't reminded how lucky we are. Thank you for bringing our boys to town.

Pioneer Memorial Hospital's doctors, nurses and EMTs for their professionalism and teamwork. I know how hard it must have been to be called in to care for five boys whom most have watched grow up through the years. It was hard to leave Jim so I could go with Bill, but I know he was in good hands.

All the people who cared for Kelsie while I was in Portland. You all know that I worry alot, but I never once worried about her because I know she was with people who loved her.

A special Thanks to all who sent cards and flowers to Bill and Jim, to those who brought food and goodies to the house and hospital and to those who cleaned my house before I brought Bill home.

We have lived in this community for nearly eight years. We are overwhelmed by all the support, caring and prayers for our kids. You are all very special people.

Thank You so very much!!!
