## Lexington Grange meets

By Delpha Jones

Lexington Grange met on Monday evening for the first of the fall and winter meetings, with Clarence Buchanan in the chair. Under the legislative report, discussion was held on Measure 38 and its impact of farmers, equipment businesses and food production. It will be a great hardship on the cattle growers and even the hunting and fishing recreation, they said.

Several applications for membership were read and Sunday, Oct. 13 was chosen for Willows and Lexington granges to give the four degrees at Willows Grange Hall. The evening will start with a pot-

luck dinner at 1 p.m.

All those who have not had the four degrees are urged to come and take the degrees, as this affects the insurance clients, who have only 120 days to receive the four degrees after taking out the insurance. Also this would be an opportunity for those who have only been obligated and are required to take the four degrees.

Plans were discussed concerning the roofing work which is hoped to be finished by cold weather.

The dinner committee for the evening were Zelma McDaniels and Sharon Temple.

Pomona Grange will meet at Lexington, Saturday, Oct. 26.
