

## Morrow County Grain Growers reps attend Case IH show

Larry Mills, Robert Laughlin and Shawn Skiles of Morrow County Grain Growers in Lexington, recently participated in the Case IH Denver Summit, the largest introduction of new products in Case Corporation's history.

Larry Mills, Robert Laughlin and Shawn Skiles of Morrow County Grain Growers (MCGG) in Lexington, recently joined more than 3,000 Case IH dealership personnel and customers in Denver, CO., for the Case IH Denver Summit, the largest introduction of new products in Case Corporation's history.

More than 20 new products were introduced at the event, including an assortment of new tillage implements and a number of new hay and forage pro-

ducts. Additionally, features on new 1997 combines, including several enhancements to improve reliability, serviceability and productivity, were profiled.

As part of the three day event, Mills, Laughlin and Skiles attended their choice of breakout sessions that covered a variety of topics and issues of interest to farmers, as well as highlighting key features of the new Case IH equipment. Attendees also had the opportunity to operate the new trac-

tors in nearby fields.

"Mills noted that Case relied heavily on input from customers in the development of the new Case IH equipment and incorporated features in response to customer needs," said a Case IH news release. "He said Morrow County Grain Growers is looking forward to getting the new equipment into the field with customers."

MCGG will be offering the new Case IH equipment introduced at the Denver Summit as it becomes available, according to the release.

Friday, October 4, was a busy day for the majority of Heppner High School students with all the homecoming hoopla, and it was especially hectic for the Fillies JV and C-teams since they both faced teams from LaGrande late that afternoon.

The action started at 5 p.m. with the C-team losing in three seemingly endless games, 16-14, 10-15, 13-15. The Filly C's came from behind in Game One to nip the Tigers for the win.

Game Two saw the teams playing fairly evenly with the score tied at 9 when La Grande went into a five point scoring siege. The visiting Tigers finished up the second game, 15-10.

In Game Three, the Heppner C's again found themselves in a hole and came back from a 14-8 deficit but were unable to

overcome the lead and succumbed, 13-15.

Coach Dana Reid said she was pleased with her team's 89 percent serving success for the match. One hundred percent serving success for the match came from Ashley Ropp, 12/12, Stephanie Clough, 9/9, Kristi Worden, 5/5, Laurie Michael, 5/5, and Amy Papineau, 3/3.

The JV's were finally able to take the court at 7 p.m. with the goal of beating the visiting Tigers quickly so as not to miss too much of the Homecoming football game. The JV Fillies realized their goal by winning in two games, 13-3, 15-4, and being out of the gym by 7:30 p.m.

Coach Susie Hisler noted that Brooke Boyer and Janelle Healy were each 6/6 from the service line, each scoring 5 points in the effort.

## HHS C-team beats Riverside

Riverside's C-team traveled to Heppner on Monday, October 7, for a match with the Fillies C's. Heppner's C-team prevailed, winning in three games, 7-15, 15-9, 15-11.

In Game One the Heppner C's played tentatively, served at 79 percent and were soundly beaten by the squad from Riverside.

Game Two started out painfully slow with the Filly six falling behind, 0-6. Fourteen side outs later they were further behind at 3-10. Gradually the Fillies snuck back to make the score 8-11.

Stephanie Clough surprised the visiting Pirates by serving up points nine through 15 to clinch the second game.

Game Three the Filly C's were leading, 14-7 when they allowed the Pirates to come back into the fray. The Fillies went on to clinch the match 15-11.

Service line honors for the evening go to Laurie Michael, 6/6, Ashley Ropp, 6/6, Tracy Rankin, 3/3, Abby Kahl, 9/10, Amy Papineau, 9/11 and Stephanie Clough, 11/13. Amy Drake dominated the net with several kills on hits and dinks.
