 On Oct. 10, the lone Lady Cardinals traveled to Condon to meet the Blue Devils for the first time since their pre-season encounter in the Wah-tonka tournament.

Condon got the serve to start the game and scored two, but lone broke their serve. Laree Anderson started the game with excellent serving, landing six straight points. Then the Cards went into a slump through several rotations, trading 0 for 0 with the Blue Devils. Condon was the first to recover and pulled the game out, 6-15.

Erin Crowell got to start the second game off with the first serve and scored a point. Then

it looked like no one wanted to win, with both sides unable to get the ball down for a score. Finally Stephanie Haguewood stepped up and made two serves that scored, and Jenny Sullivan followed her with nine solid serves that netted points. Suzy Heideman added the final two that gave lone the win, 15-9.

The third game Condon got out to a six point lead before lone scored two off Heideman's serving. Brenda Burright added three, Heideman two more, and Nikki Sullivan, two, but Condon was able to put it together and managed the win, 10-15. After this loss, lone's record stands at 3-3 at the mid-season point.

Fillies C-team beats Rockets

by Molly Rhea

The Heppner Fillies C-team was host to the Pilot Rock Rocket's C's on Monday, October 14. Since the Pilot Rock squad shared a bus with their JV football team, the C's had plenty of time to play two matches. This was the third and fourth match ups for these two teams, and they had the same outcome as the first two, with the Heppner C's coming out the winners.

The Filly C's only loss of the night came in game one of the

first match, 7-15. Heppner had jumped out to the early lead only to have Pilot Rock's fifth server step up and score points 6 through 15. Heppner went on to win the next two games, 15-7, 15-10, to claim victory in the first match.

Heppner C's needed only two games to win the second match 15-5, 15-13. As the season progresses this young Filly squad's confidence and determination have increased, as have their hash marks in the "win" column.
