

B.M.C.C. to offer ski classes

Anyone interested in either learning to cross-country ski or increasing cross-country skills is invited to contact Blue Mountain Community College (BMCC) Morrow County coordinator, Anne Morter, at 422-7040 or 481-2099 by Friday, Nov. 1.

BMCC, in conjunction with the Arbuckle Nordic Club of Heppner, is planning four ses-

sions of cross-country ski instruction, during February, if enough skiers indicate interest. The class would be held in the Blue Mountains above Heppner on four consecutive Saturdays. Cost of the course is \$20, plus the cost of reasonably priced equipment rental.

As in the past, the class would meet Saturday morning at the parking lot at Heppner High School, where members will carpool to the mountains.

Snow conditions usually dictate where the skiers will tour that day. All ages and skill levels are welcome.

Strategies Board Grieb elected as alternate delegate plans meeting

A meeting of the North Central Oregon Regional Strategies board will be held Sunday, Oct. 27, at 1 p.m. at the Greater Eastern Oregon Development Corporation office at the Pendleton airport.

The agenda will include reports, election of officers, and the calendar for the next several months.

Virginia Grieb, Lexington, has been elected as an alternate delegate to the 113th annual meeting of the American Angus Association (AAA) to be held Nov. 17-18 in Louisville, KY., reports Richard Spader, executive vice president of the AAA.

Grieb, a member of the AAA, is one of 299 Angus breeders who have been elected by fellow members of their state association to serve as an alter-

nate representative at the annual meeting. Representing 44 states and Canada, the state delegates will participate in the business meeting and elect a new president, vice president and five directors to the AAA board.

The annual meeting is held in conjunction with the annual convention and banquet, and the Roll of Victory Angus show during the North American International Livestock Exposition.
