

City buys new combination pickup

Heppner puts new utility pickup/snow plow into service

A new multi-use pickup truck has been introduced into the Heppner city fleet as part of the city's ongoing effort to update worn-out equipment. The new truck will be used as a snowplow, street sander and utility pickup. Purchase of the new truck has allowed the city to replace its 1959 snowplow and a 1979 pickup.

The new truck continues our effort to update our public

works fleet while reducing the number of vehicles," said City Manager Gary Marks. "Our old snowplow had reached the end of its rope. It was continually breaking down and often slowed the city's response to critical snowplowing and street sanding needs."

The one ton, dual rear wheel truck was purchased for \$19,800 through a state of Oregon procurement contract at

about 75 percent of the sticker price. The truck is part of the city's ten year equipment replacement program initiated by the city council in 1992. Funds have been set aside in a special fleet reserve fund for the past four years in anticipation of the truck purchase, said Marks.

Firewood cutting on the UNF ends

Firewood cutting on the Umatilla National Forest (UNF) will end Saturday, Nov. 30 when woodcutting areas on the North Fork John Day Ranger District close. All other firewood cutting areas on the UNF closed earlier in the season. Woodcutters need to be prepared for adverse weather and road conditions. Some areas may now be inaccessible due to snow.

UNF firewood permits are available at the supervisor's office in Pendleton and at the district offices in Ukiah and Heppner. Permits are also still available until Nov. 30 at Dean's Market and Deli in Pendleton; Coast to Coast in Hermiston; Mentzer and Elliott in Pilot Rock; Rhodes Supply in Ukiah; and The Dale Store in Dale.
