## Relay Challenge bonds community

To the Editor:

I am speaking to all those who take an active interest in our schools and/or community. It is with your cooperative effort that our community becomes a better place for all to live.

I would like to invite you to be a part of a very special project called: "The 24 Hr. Relay Challenge". This "Challenge" is a proven and effective project that brings together students of all backgrounds and cultures, parents, teachers, law enforcement, public agencies and civic organizations to plan and implement a unique county-wide event. This project creates an incredible bond between the schools and community and promotes healthy, drug-free lifestyles. This project has been spreading throughout the country and is gaining success in each of the hosting counties.

This program is a vehicle for people to participate in a healthy risk-taking experience, one where going beyond their comfort zone and stretching their capacity to handle a difficult

situation can be practiced in an active and meaningful way. This project will become as recognized as our yearly St. Patrick's celebration and the fair.

I am looking for those that can see the vision of this event and be willing to come on board in its infancy to create one heck of a program for this county. We all know that one program or one agency can not solve the problems of increase crime and drug use; that's a Band-Aid approach. However, having united cooperation and representation from all county residents under such a project, can't help but have a positive impact on keeping our schools and community healthy and safe.

If you are interested in learning more about this program call 676-9161 or 481-2911. Please leave your name, address and/or phone number and a time to call. Just mention that you are interested in the 24 Hour Relay Challenge.

## St. Patrick's Senior Center Bulletin Board

There were 75 present for the senior dinner July 23 and 14 meals were home delivered. Members of the Catholic Church served. Daisy Collins decorated the tables with sunflowers in honor of Millie Evan's birthday. Members of her family served cake and ice cream and everyone sang happy birthday to her. We wish her many more happy birthdays. Rose Moe also celebrated her birthday that day. Congratulations to her and best wishes.

After the meal the senior bus with eight seniors went to Irrigon for a tour of the Potlatch hybrid poplar farm-a very interesting, informative tour.

The menu for the dinner Wed., Aug. 6, will be chicken and rice casserole, peas, fruit salad, rolls and rhubarb crunch. Members of the Methodist Church will serve. Hearing aid assistance will be given and blood pressures taken before the meal. The Nutrition Site Committee will meet at 1 p.m.

Thirty-seven were present for the breakfast Friday, July 25, and four breakfasts were home delivered. The menu for Friday, Aug. 1, will be southern omelet, fruit, muffins, cold cereal, orange juice, milk and coffee.

Two tables of pinochle in play Friday afternoon and four ladies watched the movie "Lantern Hill" Sunday evening.

A lovely memorial was held for Dorothy Henderson Sunday afternoon, July 27, at the Senior Center. The seniors extend condolences to her family. She is remembered with much love by the tenants here.

Barton Clark is the new resident of an apartment at the center. Welcome to the St. Patrick's family, Barton.

The seniors have been invited to a potluck picnic at the Boardman marina park Saturday, Aug. 2, starting at 10 a.m. Bring dish of your choice and your table service. Coffee and punch will be furnished. The picnic is sponsored by the Boardman Senior Citizens. The senior bus may go, depending on availability of a driver.

The bus is scheduled to go to the Monument Nutrition Site Tues., Aug. 5, at 9:30 a.m. There are a few empty seats. The sign up sheet is in the Senior Center Office.

Remember, exercises are now Mon., Tues., Thurs. and Fri. at 10 a.m.
