Slottee scholarship applications available

Applications are now available for the Elizabeth Slottee Memorial Scholarship. The scholarship is awarded annually to a junior, senior or graduate student at an accredited four-year college or university.

"The award is given to recognize and remember the enthusiasm, spirit and dedication that Elizabeth inspired in her students," said a spokesperson. "It is also given to remember Elizabeth's love of music and her wish to share it with others."

Elizabeth Slottee, a music teacher at Ione and Heppner, died in a car accident.

The scholarship is given annually, in order of priority to: first-a student majoring or minoring in music; second-a student who has been accepted into a school of education.

Applications may be picked up from the South Morrow County Scholarship Trust at the school district office in Lexington. The award, which is \$500 this year, will be given Oct. 1.

Criteria used in awarding the scholarship include scholarship, leadership, citizenship, financial need, suitability of course of study and probability of success in the student's chosen field.

Chamber Chatter

By Claudia Hughes, Chamber Manager

It's time to take a moment from the weekly Main Street News and Chamber Chatline to return to Chamber Chatter and say, "what a community!" People, for the most part, are so patient with all the construction. They continue to go about their business and their volunteerism while keeping the end result in their line of vision. Many are learning that walking a couple of blocks if they are physically able isn't bad after all; in fact, they feel better.

Fair and Rodeo was exhausting, yet rewarding. All those hard-working volunteers are to be commended. How wonderful the new bleachers were for folks to view excellent rodeo activity. And the fair with its best of show display and great entertainment offered new activities for one and all. The pool was open for everyone to cool off, while others relaxed at their RV site.

Heppner offers more and more, but be careful. The secret is getting out that living in the middle of nowhere, where the stars go on forever, the people are friendly and work together, and there's plenty of space, is the best place to be.

Where did our summer go? Football, hunting, school, and leaves changing color are right around the corner. In the meantime, the Main Street Project moves along. Come down and watch the process, do a bit of shopping, dine out and get your card punched to win the Chamber member vacation giveaway luxury accommodations at your choice of six locations.

Chamber will welcome BMCC President Nikki Harrington at the luncheon on Tuesday, August 26, at noon at Kate's.

Thought for the week: "If you live life at a rattling pace, you might end up with loose joints."
