## Colts win four more

By Rick Paullus

The Heppner Colts won four games in a row after their only loss of the season to Umatilla.

On Sept. 30, the Colts beat Stanfield, 13-0. Aaron Griffith scored the first touchdown on a 40-yard swing pass from Tanner Britt. Britt ran in the conversion and the Colts led, 7-0.

On October 2, the Colts beat the Kiwanis team from Hermiston, 12-0. The touchdowns were scored by Tyler Lovgren and Justin Boteffuhr.

On October 6, the Colts beat McDonalds from Hermiston, 14-0. Tyler Lovgren scored both touchdowns in the game.

On October 11, the Colts beat a much bigger Irrigon team, 2-0.

After a scoreless first half in which neither team moved the ball effectively, the Colts moved into scoring position on a 40-yard pass from Tanner Britt to Tyler Boyer.

After Irrigon held, they took over at their own two-yard line. Aaron Griffith then tackled the runner in the end zone, with help from his friends, for a safety and a 2-0 lead.

Irrigon's final threat was ended by an interception by Josh Gutierrez at the 23-yard line of Irrigon.

The Colts finished the regular season with a record of six wins and one loss. The defense gave up only 13 points all year.

The Colts play in a third and fourth place game at Hermiston on Wednesday, October 15, at 6 p.m.

## Chamber Chatter

by Claudia Hughes, Chamber Manager

"Heppner, bicycling paradise" is the description given by Bill Hanlon who has pedaled through his research in recommending a brochure for Heppner. With the assistance of Doris Brosnan, Twice Upon A Time, and the Chamber, a potential cycling brochure has been created. For those of us who seldom put any miles on our exercise bike, let alone pedal these rolling hills, this is, indeed, a foreign idea. For many others, it is just what the doctor ordered: great bicycling over hills, little traffic, small town friendliness, food, and fun. Ideas such as this mean more options for merchandising, people to frequent motels, and bed and breakfasts and a chance to bring people to Heppner without any negative impact to the community. Families and small cycling groups would be the marketing target. Bicycling to Heppner could become what wind surfing is to Hood River, skiing is to Bend and hang gliding is to Lakeview without all the traffic. Let us know what you think. HCC will be discussing the project and funding would need to be secured. There are potential grants available.

As the 1998 Heppner calendar of events began shaping up, it is apparent that there is much to do for both visitors and locals in this community and the Willow Creek Valley. Just in Heppner there is Town & Country, Wee Bit 'O Ireland, Heppner Volkswalk, a ladies', men's and couples tournament at Willow Creek Country Club, MS Walkathon, Rolling Hills Run, Columbia Plateau Stage Race, BMW Motorcycles, the Morrow County Fair and Oregon Trail Pro-Rodeo and Artifactory. Missing .... maybe a Scandinavian Christmas Festival, some additional events at the rodeo arena, pool events, an ag event, and a possible "Best Dam Event Ever", featuring the Willow Lake Raft Race or remote control boat races. The possibilities are endless to bring fun and increased economy to Heppner and "the valley".

Just hang on a little longer, folks. It will all come together when the Main Street Project is completed. It's change and it's going to be exciting! Take another "patience pill", go soak with a friend in the therapy pool and remember to laugh.

Thought for the week: "Happiness is a way station between too little and too much."

## CHAMBER MAIN STREET NEWS WEEK OF OCTOBER 13, 1997 brought to you by the Heppner Chamber of Commerce (541) 676-5536 MAIN STREET WEEKLY REPORT

-MAIN STREET MEETING informants who keep us updated on the project were Tony George and Brent Reynolds, ODOT, and Lavar Bowles, Weaver.

-STREET PAVING, except the final lift, sidewalk and bulb detail should be completed within the next two days. More people have been brought in to move the project along faster. Weather forecast is for two full weeks of 70 degree temperatures. ODOT has sent a change request to Salem to allow paving through October 24.

-59 DEGREES. One public official who shall remain unnamed, suggested that maybe the Bank of Eastern Oregon could make sure their thermometer never reads less than 59 degrees until all paving is complete. Sounded good to the group around the table. The project may be completed if weather meets the specs; otherwise it will be spring for the final lift. The pavers and luminaries will go in even if the weather doesn't allow for final lift.

-PARKING. Now that traffic has transferred to the middle lane, vehicles may park on both the east and west side after hours. Care is requested in driving between the cones when doing so. Please do not park there during work hours as machinery access is needed.

-CENTRAL RED APPLE driveway off Main may be used by light vehicles beginning Wednesday. No trucks or trailers yet, please. Again, we thank Forrie, Gail and Alan for the donation of paper on which to run these weekly newsletters.

-VINEGAR & HONEY. What is that saying? "You catch more flies with honey than you do with vinegar." Vinegar, however, is prescribed periodically for health reasons and many recipes wouldn't turn out without it. It takes a mix of both to keep everyone on track. In our daily lives, too.

-THUMBS UP AWARD goes to individuals at the Main Street meeting Monday who showed some extra vim and "vinegar", yet still walked out the door together with apologies and the determination to stay on track. "I'm sorry" are two little words that go a long way these days. People who use them are to be admired. Equally important is the acceptance of those two words.

-LUMINARIES will probably be almost the last piece of the puzzle. All holes must be dug and ready before the wire is pulled and the electricity can be hooked up. When the bulbs are complete, change will happen fast. Won't the holiday season be festive with the new street lights?

-LUXURY VACATION GIVE-AWAY extended through the end of the month. Remind your customers to pick up their punch cards to be eligible for the Chamber of Commerce drawing. Winner will be able to select from six to twelve sites, some within a half day's drive. The trip is for luxury accommodations with various amenities depending on the site selected. Transportation and food is the responsibility of the winner. The vacation has a one-year window of usage between November 1997 and November 1998. The six sites are: Victoria, B.C., Anaheim, Reno, Las Vegas, Jackson Hole and California Wine Country will possible additions of Sun Valley, Vancouver, B.C., Whitefish, MT, Skamania Lodge, Sunriver and Seattle. Winner's choice.

-YOUR CHAMBER OF COMMERCE welcomes visitors. Meetings are every Tuesday noon, upstairs at Kate's. Upcoming programs are: October 21-Jim Salyers, Manager Kinzua Resources, LLC; October 28-Morrow County School superintendent Chuck Starr-the school funding measure. All Chamber member lunch attendees are eligible for a special drawing in appreciation of their membership. Coming up.

-THOUGHT FOR YOU WEEK: "Keeping on top of your day is better than letting your day get on top of you."

## Greens workshop planned Dec. 6

By Merlyn Robinson

The traditional greens workshop hosted by the Heppner Garden Club will be held December 6. For the first time, this event will not be in conjunction with the Artifactory, which has been scheduled for November 22.

People wishing to place orders for ready-made wreaths, swags or candy cane arrangements may place their order by calling Ida Farra at 676-9446. Those wishing to make their own arrangements may attend the workshop from 9 a.m. until 3 p.m. at the Morrow County fairgrounds on Saturday, December 6.

Proceeds from the sale of Christmas door arrangements are used for scholarships and to assist local non-profit organizations. At their October meeting, the Heppner Garden Club presented a \$700 check to Key Proctor to assist with funding for the new swimming pool.

Garden Club members are invited to attend a district meeting in Milton-Freewater on October 16. Heppner Garden Club members took an active role at a recent District 10 Garden Club Flower Show in Hermiston, entitled "Splendor in September".

Jane Rawlins won first in the "Best in Design" category for her flower arrangement and she also received first place for her educational exhibit. Bebe Munkers received several awards for her horticulture entries. Mary Gohsen and Daisy Collins were clerks for the show and Dorothy Jackson managed a table for a collection of started plants provided by garden club members.

## CARD OF THANKS

What a great sendoff you gave us Saturday night, September 20, 1997! Thank you so much for giving of your time to say farewell with such finesse. You sure made us feel special! Additionally, we would like to extend an even bigger thanks to all of you for the encouragement and support you gave us during the past five and a half years. We felt acceptance here from the very beginning and over the years have developed many lasting friendships. We have truly enjoyed getting acquainted with each one of you and will always treasure the memories of the wonderful times we had together. There is sadness in our hearts as we leave but we look forward to seeing you again someday. Please keep in touch. Your friends, Kevin and Sharla Erich, Robbie and Steve.

Many thanks to all the good people who gave of their time, donations, and creations to the Fall Into Winter bazaar held in lone. Special thanks go to the Lone Youth Group, Isa Brown for donating the quilt, and their parents and especially the "creatively gifted" Jannie Allen. Without this community's great generosity this bazaar could not happen. All proceeds go to the Jason Halvorsen Scholarship Fund for graduating seniors at lone. Thanks again, everyone involved, for you wonderful support.

Our wedding day was perfect thanks to the following people: Thank you Jean Jepsen & Pam Minster and the room mothers for giving me a lovely shower and to all who attended. Thank you Valby congregation for our special shower that was held after service at the church - to the lone auxiliary Ladies for preparing and serving a delicious meal at the reception - to Jane Rawlins and Donna Bergstrom for providing and arranging the beautiful flowers at the church - to Ron Neighorn and my sister, Kristine for singing our special song at the wedding and to Ron and his band for playing at our reception. To Lea Mathieu-Peterson for officiating the ceremony and for being there for us - to Pam Minster for taking pictures and for all the help. Last but not least, to all our families and friends who helped prepare and for being there to make our wedding day special. We thank you from the bottoms of our hearts and we are truly blessed to live in such a caring community.
