Condon squeaks past Ione, 30-24

By Adam McCabe

The Ione Middle School boys played Condon on Friday, Jan. 16. Condon went away with the win, 30-24.

It was a close and fast-paced game from the beginning. In the first quarter, trouble started for Ione when Adam Neiffer got into foul trouble. He had three fouls by the end of the quarter. A tremendous number of shots were taken, but Ione could only end up with two points coming from Adam McCabe. Condon had three points from Todd Shaffer. The second quarter was a fast-paced, low-scoring quarter, much like the first. Neiffer added to his fouls with one more, making a total of four. Shaffer led Condon in scoring again, with five points. Ione's Brad Burright had five points and Neiffer had an additional two points to make the second quarter score, 9-8, Ione.

In the third quarter, the Cards looked like they were tired coming out of the locker room. Condon saw Ione's weakness and started to take the lead. Still, Ione

kept close to Condon. Shaffer wasn't the only one to score for Condon. Although he was the leading scorer of the period with 11 points, David Bednard had two. At the end of the third, the score was Condon, 21, Ione, 17.

At the beginning of the fourth quarter, Ione started playing better than they did in the third. The Cards played tough and hard, but Neiffer fouled out. Condon remained in control although Ione fought as hard as they could.

For Condon, Shaffer had four points in the quarter, Randy Carnine had three points and Mike Durfey had two. Ione could only score six, and lost the game, 30-24.

Coach Dale Holland said, "Even though we played our best game so far, we wore out too fast."

Cardinals earn second in tournament

By Colin McElligott

The Ione Middle School Cardinals participated in the Helix Tournament on Saturday, Jan. 17. The Cards started out by playing Echo and beat the Cougars, 28-22. It was a see-saw game all the way through until Ione pulled away with the lead at the very end of the game.

Echo was in foul trouble early on in the game and Ione put this to their advantage, forcing Echo to either foul or let the person take the shot. At the end of the game, three Echo players had fouled out, which helped Ione win the game.

The first quarter of play ended with Echo, 8, and Ione, 7. That was the only time in the game that Echo had the lead. From then on, Ione had either the lead or was tied with Echo. In the third quarter, Echo and Ione were tied at 20. But at the end of the game, Echo's players who had been in foul trouble started to foul out. This gave Ione the chance they needed and they beat Echo, 28-22.

Right after Ione defeated Echo, they moved onto the championship round in which they would have to play the Condon Blue Devils, whom they had lost to the day before. Condon won, 47-28.

The first quarter ended with the score, Condon, 12, Ione, 5. The game went on with Condon keeping their steady lead on Ione throughout the entire game and sometimes adding to their lead by a dramatic amount. Condon's lead scoring player for the game

was Todd Schaffer, who scored 17 points against Ione's defense.

The score at the end of the game was Condon, 47, Ione, 28. It was a rough game all the way through. Adam Neiffer injured his knee early in the game and kept limping throughout the rest of the game. The Ione players thought they could have played better, but they were tired from just playing the game with Echo.

The lead scorer for Ione was Brad Burright with 23 points.
