The Heppner Mustangs and Pilot Rock Rockets were finally able to play their rain-delayed game on Friday, May 15. The Rockets came out on top, 4-3.

With the win, the Rockets clinched the top spot in the Columbia Basin Conference East Division. The Rockets will play the number-one team out of the West Division on Saturday, May 23, at The Dalles at 12 noon. The Mustangs will play in a loser-out game against the number-two team 30 minutes after game one.

The winner of game two and the loser of game one will play following that game to produce the number-two team out of the conference to advance to the state tournament.

The Mustangs had their chances against the Rockets, outitting them 6-5 and stranding 12 men on base.

The Mustangs jumped out to a 1-0 lead on their half of the first inning only to have Pilot Rock tie after one inning. The Mustangs took a 2-1 lead into the bottom of third inning before the Rockets' starting pitcher hit a three-run home run to give the Rockets a 4-2 lead.

In the top of the fifth inning the Mustangs had the bases loaded but failed to score any runs.

In the top of the sixth, Derek Gunderson walked, stole second and went to third on a Shane Matheny single. Gunderson then scored on a wild pitch and Matheny went to third as the tying run with no outs. But Labrousse pitched out of the jam and Matheny was stranded at third.

David Bates started on the mound for the Mustangs and had a strong four-plus innings before giving way to Dylan Pettyjohn.

The Mustangs next played Condon on Tuesday, May 19, to

wrap up the conference schedule and get ready for the district tournament at The Dalles. The Mustangs dropped to 11-3 in league and 13-5 overall.
