## From my family to yours:

# Thank You!

I want to personally thank each and every one of you who voted in the primary election on May 19. I am honored to have the opportunity to compete in the general election to be your next congressman. Your continued support and faith in the electoral process is what got us through the primary and is what will, no doubt, carry us through November. I look forward to earning your support over the coming months as well as maintaining the support of my loyal friends and colleagues. As always, my pledge to you is that I'll keep my word.

Sincerely,

*Greg Walden*
