**Rollie Marshall hired at CMG**

The President of Genesis Edge, LLC, Jeff Rickman has announced the hiring of Rollie Marshall of Heppner to head up the company's rural lending unit. "Marshall's 20 years of banking experience, including 10 years in agricultural lending, provides the background we were seeking," said Rickman. "Marshall will be responsible for agricultural lending and will also be involved in residential and commercial lending."  
Marshall will be located in Heppner, but will serve customers throughout central and eastern Oregon.  
Columbia Mortgage Group and The Genesis Edge, LLC, have also announced the formation of a new rural lending unit, which will make long-term fixed-rate, fully amortizing mortgages available to rural farmers and homeowners purchasing and refinancing agricultural real estate.  
With interest rates at all time lows, now is the time to review existing financing packages for better rates, according to a news

release from the Genesis Edge. Genesis Edge, LLC is a mortgage broker company based in Bend, specializing in rural financing. Columbia Mortgage Group is a certified facility and Fannie Mae approved lender/servicer providing Genesis Edge, LLC, the conduit to the secondary market for agricultural real estate lending. "As we look to the needs of the customers we serve, we see the rural segment as an important part of our future business," said Rickman. Philip Hamilton, VP of Columbia Mortgage Group, says he believes in the strategic alliance with Genesis Edge, LLC and his group. "The homeowner desiring to live in rural America has options that have not been available and they deserve to have choices. Columbia Mortgage Group is the conduit for this type of financing. These type of borrowers will now have a local decision maker to make these loans and eventually provide a delegated underwriting service which could be utilized nationwide."

Most of the time we are working with our neighbors and friends. So we're committed to going the extra mile to find the program they can get approved on, or find the one that fits them the best."

**Local MS walk brings in \$5,970**

The Oregon Chapter for the National Multiple Sclerosis Society reported a final pledge amount of \$5,970 for Heppner at the MS Walk in April.  
The prizes are late this year due to some technical difficulty, said local organizer Merilee McDowell. T-shirts and sweatshirts

will be mailed in the next couple of weeks. Call the MS office in Portland at 1-800-FIGHT-MS concerning questions or problems. "Everyone did a wonderful job for our first year. I would like to congratulate everyone for doing such a great job," said McDowell. "I look forward to working with everyone again next year."

**St. Patrick's Senior Center Bulletin Board**

Around 70 people were present for the senior meal July 8. Members of the Christian Life Center served. Bingo was played at 1 p.m. Blood pressures were taken before the meal. There was no Senior Board meeting as not enough members were present.  
The menu for July 22 will be chicken enchiladas, green beans, Jello with carrots and pineapple and cookies. Members of the First Christian Church will serve. This menu was postponed from the July 15 because food donations from the Agape House needed to be used.  
Twenty-eight people were present for the Friday breakfast July 10. The menu for Friday July 17 will be waffles, bacon, hot or cold cereal, fruit, orange juice, milk and coffee.  
Ten passengers and driver Ed Baker went by senior bus to Monument for lunch at the Senior Center Tuesday, July 7. They had trouble getting home as the bus kept vapor-locking. Ed planned to get it fixed later in the week so it will be ready for the trip to Condon Thursday, July 23. Departure time is 10:30 a.m. Sign up sheet is in the office, or call 676-9030 to have your name put on the list.  
One table of cards was played Tuesday afternoon, and two on Friday.  
Tenant Jack Erwin moved out Friday. He will spend time this summer on a canoe trip down the Missouri River. We all wish him a safe trip. Sounds like great fun.
