MCSO dispatched to the Oregon State Police a report of a man almost assaulted by two skinheads with a machete. The subject got away and went to the nearest payphone. The subjects were last seen at the grain bins near the Columbia River by the freeway.

## Mustangs face Regis in first round

The Heppner Mustang football team will play Regis High School on Saturday, November 14, at 1 p.m. in the first round of the state 2A football playoffs. The game is scheduled to be played at Cascade High School in Turner.

Heppner earned the playoff spot by finishing second in the Columbia Basin Conference. Regis High School won the Tri-River Conference.

Both schools faced a common opponent this year in Scio. Heppner dropped a 24-21 heartbreaker to the Loggers while Regis won, 15-13.

## County schools seek mentors

Morrow County Schools are seeking people who are interested in becoming a mentor in the Special Friends program.

This program is designed to pair children with a positive adult role model. The number of volunteers determines the number of children served. According to Morrow County Behavioral Health, statistics have shown that when children receive as little as a half-hour per week of one-to-one unconditional positive regard from an adult mentor, the results are almost always positive and lasting; negative behaviors are not as pronounced and the child has a greater motivation for learning and getting along with others.

This is how the program works: Children are referred to the program by their teacher. These children may be shy, acting out, have learning disabilities or may just be in need of more individual attention. They are then paired with a volunteer. Once a week, for 10 weeks, the volunteer and student will meet for 30-45 minutes of conversation, games and crafts.

At the end of the 10-week period, a party is held for the volunteers and their students to celebrate their accomplishments.

"It is indeed a small amount out of one's time each week," said a MCBH spokesperson, "and so valuable to the children."

These programs are great in concept, they said, but only work if volunteers step forward. Many programs like this have failed due to lack of community involvement. When the program fails it is the children who suffer, they added.

Morrow County is in "desperate" need for adults to have more involvement with their children. Anyone interested in becoming a volunteer for this program, should contact Barbara Stefani-Peterson at either 676-9128 or 422-7555.

The Special Friends program is sponsored by both Morrow County School District and Morrow County Behavioral Health. Funding for the program comes through a grant provided by Eastern Oregon Health Services Consortium.

## G-T FOOTBALL PICKS CONTEST

Each week through football season, the below football "experts" will test their gridiron knowledge by picking winners of games in both the pros and college.
