CARD OF THANKS

I would like to thank all the people of Morrow County for their support during a very difficult time. Losing my mother was so hard, but everyone's calls, cards, food and flowers certainly helped the healing process begin.

I especially want to thank Louis and Betty Carlson, Mark and Tami Rietmann, Ken and Kaedene Bailey for taking care of Jodie and Kyle so I could leave town without any worries, for Shelli Britt for all her help and just being there and Cheri for spending for week with me in Pendleton. Living in a small community is such a blessing.

Sincerely,
Kathy Carlson,

We would like to thank family and friends for all the love and support shown to us in our loss of our mother and grandmother Pauline Gates. The words of comfort and support written in your cards gave all of us the strength we needed to get through the trauma of our loss. The food brought to our homes eased our minds and filled our tummies deliciously. Love and compassion could not have been expressed more beautifully than the flowers at Pauline's graveside and at the Legion Hall did. Thank you Ione Legion Auxiliary for the wonderful dinner!

We would like to thank the staff of Pioneer Memorial Hospital for the excellent care they have always given Pauline during her frequent visits over the years. Our thanks to the CCU nursing staff at St. Anthony Hospital and to Dr. McBee for their devotion and compassion shown to Pauline and our family. You made a very difficult time more bearable.

A very special, heartfelt thank you goes out to the staff at Morrow County Home Health. You all gave many years of excellent health care, family support and an immeasurable amount of TLC to Pauline. Robanai, a very big, very special thank you goes to you! To Pat Sweeney and Reverend Paul Clay, bless you. To all of you: "You need not bear wings to be an Angel."

We all know what it is like to lose a loved one. Receiving so much love and support from the community and the church makes the most difficult of times bearable for a grieving family. It only takes a few minutes to write a few comforting words of love and support in a card and drop it into the mail. Thank you for your few minutes, they will last us a lifetime.

Sincerely,
Tom Gates and Family
