PUBLIC NOTICE
 EQUINE CURVE TIMBER SALE

USDA - Forest Service Umatilla National Forest Heppner Ranger District Morrow County, Oregon
 On March 9, 1999, Heppner District Ranger, Delanne Ferguson, decided to implement the Equine Curve Timber Sale on the Heppner Ranger District. This sale will produce approximately 120 CCF of merchantable wood products from 3 acres. The purpose of this sale is to reduce a traffic hazard on Forest Road 53 by thinning the adjacent stand on this curve, resulting in more sunlight and early thawing in the late winter and spring. This sale has been planned to be commercially thinned by a horse logging operation to minimize the impact on the Scenic Byway.

This harvest was originally approved under the Blue Mountain Scenic Byway Visual Enhancement Categorical Exclusion Decision Memo, and was deferred from the resulting 53 Roadside Salvage Sale. The original analysis and clearances were reviewed and are determined to be applicable for this sale.

The Decision Memo and associated project file are available upon request from the Heppner Ranger District, P.O. Box 7, Heppner, OR 97836.

This decision is subject to appeal pursuant to Forest Service regulations at 36 CFR 215.7. Appeals must meet the content requirements of 36 CFR 215.14. Any written appeal must be post-marked or received by April 30, 1999. Appeals should be sent to the Appeal Deciding Officer, Robert W. Williams, USDA Forest Service, Pacific Northwest Region, ATTN: 1570 APPEALS, P.O. Box 3623, Portland, OR 97208-3623.

People for the Pool, Inc. recently completed its mission of fund-raising for the Willow Creek Water Park and Indoor multi-use spa/pool. I was fortunate to have been involved from the beginning and now the completion of this not-for-profit organization. I learned that the residents in South Morrow County have spunk, spirit and good old stubbornness when it comes to supporting something they believe in. All those qualities will serve our community well into the future as we meet new challenges.

Thanks to all the supporters of the pool project and especially to my family for their personal help over the last seven years.

Armato for supplying our fish pond box. Our games went well and our raffle went great. Thanks to those people and merchants for donating items to the raffle. We obviously couldn't have done it without your participation.

Thank you to Patti Pappas for organizing the raffle and your time spend working on the float. We did good for two people; third place is great!
