Rolling Hills Run/Walk to benefit EMT

The 1999 Rolling Hills Run will be held Saturday, April 24 at Heppner. This annual 5 and 10 K run/walk is held as an annual benefit by the South Morrow County EMT Association to raise money for equipment purchases for ambulances stationed at Heppner and Lexington and the first response team stationed at Ione.

This year's race will again follow the traditional route, beginning at the Heppner Elementary School and winding up Hinton Creek before returning to a finish at the Elk's Club.

For those who have not participated in this event in the past, this course follows a peaceful, rolling terrain with sparse traffic and pleasant open scenery, according to run organizer Bill Sheirbon. The run is well supported with aid stations and roving aid cars to assure participants are safe and to provide rides back to the finish line for anyone that might need one, he said. While some years have seen some wind on race day, the weather is frequently cooperative, Sheirbon added.

This year's race will again be topped off with a breakfast, free for race/walk participants and available to the public for a "modest fee" between the hours of 6 and 10 a.m.

Door prizes for participants, ribbons, plaques and prizes for event winners will be awarded at the breakfast. "We encourage people to come join us for breakfast and stick around to meet the racers after they finish their events," said Sheirbon.

In addition to the race, EMTs with the association will raffle off a recliner. Tickets for the recliner will be available at the race with the winner announced during the Morrow County Fair in August. Tickets are \$1 apiece or six tickets for \$5.

Registration on the day of the race will be \$12. Discounts for more than two people from the same family entering this race are given. Runners will be registered race day between 7-8:30 a.m. at the Heppner Elementary School. 10 K walkers may begin at an early 8 a.m. start time. All others will start the race at 9 a.m.

More information about the Rolling Hills race can be obtained by calling Glenn Anderson, registration coordinator, at 541-989-8555 or Bill Sheirbon, race coordinator, at 541-989-8526 evenings.
