## Road Construction Status Report

Notice to the citizens who utilize and enjoy the Willow Creek (Coal Mine Grade) area:

The U.S. Dept. of Transportation lists its planned construction activities on Willow Creek Road for the week of Monday, July 5:

Tidewater Contractors, Inc., has been placing maintenance aggregate on the Shaw Grade Detour Route, preparing the roadway for the summer season. The aggregate is being hauled from the Skinner Creek Quarry site located near milepost 8 on FS-53 road from Heppner to Ukiah. Watch for the truck signs near this location. The dust control agent is scheduled to be placed on the road on Wednesday, July 7.

There will be some truck traffic on the FS-53 road (highway to Ukiah) between the Penland Lake Road and the 20 mph corner for another couple of weeks. Observe the flaggers and watch for truck traffic. Tidewater has completed the removal of the waste material from the slope failure that occurred this past winter. They will start replacing the material, in the failed area on Tuesday, July 6, as well as start preparing the sub-grade for base aggregate. Emergency access through the project will be maintained throughout the construction season.

Willow Creek Road will remain open, to local traffic only, as far as Cutsforth Park. The park will remain open through the normal season. The detour route through Shaw Creek Road to the four corners, to Penland Lake and Ukiah, is and will remain open to all traffic.

During the 1999 construction season, Willow Creek Road (Coal Mine Grade) (FS 53 Road) will remain closed to through traffic, from Cutsforth Park to the intersection of FS Roads 5350(Texas Pit Road).

Watch for log truck traffic, travelers and campers, and observe the warning signs, including the speed limit, on the Shaw Creek Road Detour Route and observe the barricades at both ends of the construction zone. Have a safe summer and remember that the barricaded road closures are for the traveling public's safety.

Federal Highways asks the traveling public for their patience, consideration and cooperation during this construction season and appreciates the cooperation from the public.

## Local 4H club attends dog show

The Dynamic Doggies 4-H Club By William Wehrli

The Enterprise 4-H Dog Club, "The Classy Canines," held an open dog show which was attended by many of Morrow County Dog 4-Hers.

"The club did fantastic" said club leader Tina Edwards. "I am so proud of all of them."

In attendance were: Jessica Wainwright and her dog Albee, Kim Morris and Nipper, Chelsey and Aftan Betsinger and their dogs Meggey and Nick, Krystal Temple and her dog Shelia, Amber Patton and her dog Tia, Ra Chell and Tyler Key and their dogs Honey and Kelo, and William and Whitney Wehrli and their dogs Teddy and Pepper (Pepper came to look).

The club brought home a bunch of ribbons: Kim Morris got third place in intermediate obedience; Krystal Temple got first place in intermediate obedience and second place in intermediate showmanship; Amber Patton got third place in junior obedience; Ra Chell Key got third place in junior showmanship; Whitney Wehrli received second place in

sub novice (open class) obedience; and Aftan Betsinger won third in sub novice open class.

The judging and competition was tough and ribbons were only presented to the top four contestants, said a spokesperson. Each Dynamic Doggie member placed highly in each class contended.

The entire group enjoyed and learned from the show a lot, but the high point of the show was when the mothers and Tina Edwards had to show the children's dogs at the very end of the show. "We'll all be giggling for months ahead remember how wild Molly performed for Tina," they said. Overall the mothers did very well. "My mom got fourth place ribbon because I trained the dog so well," club President Jessica Wainwright exclaimed.

The first place ribbon was given to Karen Temple with daughter Krystal's dog Shelia; second place went to Ginger Patton with her daughter Amber's dog Tia; third place went to Brenda Key who used her daughter RaChell's dog Honey; fourth place was won by Stacy Wainwright; and, bringing up the rear using her own dog, Molly, was club leader Tina Edwards.

**Sue:** Y'know, my biggest catering client before the expansion was the Nelson baby shower. Remember?

**Pelican:** With those oyster canapés shaped like booties? Mmm, how could I forget.

**Sue:** Thank goodness you guys at the bank saw my potential and gave me that loan.

**Pelican:** Uh, can we get back to those oysters?

**Sue:** Sorry, gotta fly. There's a chef in Seattle who's doing exciting things with pickled eel.

**Pelican:** Pickled eel? I'm right behind you, sister.
