

Road Construction Status Report

Notice to the citizens who utilize and enjoy the Willow Creek (Coat Mine Grade) area: The U.S. Dept. of Transportation lists its planned construction activities on Willow Creek Road for the week of Monday, July 19:

Tidewater Contractors, Inc. worked within the limits of the project with the exception of hauling material to waste at the 20 mph corner on Monday and Tuesday. They will be hauling base aggregate material from the Summerfield Ridge Quarry site to the project starting on Thursday. This site is near the intersection of Black Mountain Road and FS 53 Road. There will be a number of trucks utilizing the main road between Black Mountain Road and Cutsforth Park hauling the material. Watch for the truck signs and trucks entering the main road near this location. This is one step closer to the paving process.

There are still a couple of culverts that have to be set, which they will be doing this week. They are continuing with the blading of the sub-grade from Cutsforth Park, working towards Penland Lake Road intersection. The surveyors will continue setting stakes for the top of sub-grade as they continue towards the end of the project. Emergency access through the project will be maintained throughout the construction season.

Willow Creek Road will remain open to local traffic only, as far as Cutsforth Park. The park will remain open through the normal season. The detour route through Shaw Creek Road to the four corners, to Penland Lake and Ukiah, is and will remain open to all traffic.

During the 1999 construction season, Willow Creek Road (Coal Mine Grade) (FS 53 Road) will remain closed to through traffic, from Cutsforth Park to the intersection of FS Roads 5350 (Texas Pit Road).

Watch for travelers, campers and wood cutters, observe the warning signs, including the speed limit, on the Shaw Creek Road detour route, and observe the barricades at both ends of the construction zone. Have a safe summer and remember that the barricaded road closures are for the traveling public's safety.

Federal Highways asks the traveling public for their patience, consideration and cooperation, and appreciates input from the public.

Contact Robert G. Toops, project engineer, at (541) 676-5904 in Heppner for additional information.

St. Patrick's Senior Center Bulletin Board

One hundred-seven meals were served by the senior meal program July 14. Volunteers from the Methodist Church served. Children from the Methodist, Episcopal and Lutheran Bible school sang during the meal. It's always a big treat to have the children come to entertain. The Seniors enjoyed it a lot. A couple from Texas who were touring our area in a motor home joined us for lunch. They were much impressed with our town and the friendly people here.

The senior bus driven by Gerald Bergstrom carried 14 passengers to Maryhill Castle Thursday, July 15. It was a perfect day, not too hot and no wind. The exhibits were very good and were enjoyed by everyone, even though they had to climb up and down the stairs as the elevator was out of order. The peacocks joined in the picnic, begging for food and posing for pictures. The flowers in the gardens were lovely. A stop was made in Arlington on the way home to have ice cream.

The next bus trip is to Hermiston Nutrition Site July 21, then to Arlington on August 3.

The Senior Center yard sale and silent auction was a huge success. Jane Rawlins organized the sale and a large crew of volunteers assisted and cleaned up. Many people donated articles and many also came to buy.

The birthday dinner July 28 will split pea soup with ham, assorted meat sandwiches, fruity Jell-O, celery sticks with peanut butter and hot fudge sundaes. Members of the Lutheran Church will serve.

Chamber Chatter

By Claudia Hughes, Chamber Manager

Winning baseball teams, swim lessons, summer camp, picnics, vacations, preparing for harvest, strategic planning, gardening, moving cattle, getting ready for fair and planning for the second "Celebrate Heppner" are just a few of the things occupying our citizens this summer.

Turns out the Fair Committee was planning a big evening on July 30, the same date as "Celebrate Heppner" and has offered to give everyone a taste of Zac Grooms during the afternoon on the Shamrock. Great! We're very lucky to have this young man, thanks to the Fair Committee. He is on his way to the big time. Check out Channel 3 and the Heppner Gazette for more details. Let's all get together for a day and evening of fun in Heppner. . . town and country in the good old summertime.

A sense of humor is a valuable thing to have; it helps you get through moments such as walking around town with a yellow sticky note adhered to a very prominent place. That's when one discovers who her true friends really are. Those of us in those situations can survive such humiliation by knowing that laughter is the best medicine. Some of us just accidentally contribute more than others.

Chamber programs ahead are CenturyTel, the hospital/nursing home plan and Jill Miles, Oregon Economic Development Department. See you on Tuesday.

CARD OF THANKS

Thanks goes to the residents of Morrow County and the surrounding area, for believing in the Morrow County Health District and for support given to me over the past four years I have served on the Board. It is not an easy job; however, I believe with Sheila Dahlman's administrative leadership, there is no place to go but forward. Thank you for the luncheon served last Thursday at the hospital and the beautiful vase given to me as a reminder of my board term. It will be treasured.

Thanks again to all. Cara Osmin 7-21-1c

Many people in this community are to be thanked and congratulated for their generous contributions to the St. Patrick's Senior Center yard-rummage-auction sale last Friday and Saturday.

The many quality items and volunteer helpers make the sale more successful than we had ever dreamed.

The center board owes special appreciation to those volunteers who kindly stayed with us to do the clean-up.

All in all, the response given to this project reveals a generous, caring community, willing to support a senior center.
