Shrine game planned Aug. 14

The Shrine East-West Football Association put the final touches on the 1999 game to be held at Bulldog Stadium in Baker City, on August 14.

Players have been selected to fill the 30 man squad for both teams and there is also a 30-man alternate squad to fill any vacancy that might occur in the first team line-up. Derek Gunderson from Heppner will play in the game.

Player pickup will be at the Valu-Inn in Oregon City, on August 6. After a visit to the Portland Shrine Hospital, the troop will stop in The Dalles for lunch and then travel on to Eastern Oregon University in La Grande where physicals will be given and a seven-day training camp will follow.

Heading the lineup of game officials this year will be Todd Barnes of Astoria as referee. Assisting him will be Ed Betts of Astoria as umpire. Joe Gray of LaGrande will be the linesman and John Wallin of Corvallis will be line judge. Back judge will be Leon McGuire of Baker City and Doug Bolton of Salem will act as side judge. The coaches, assistant coaches and all of the game officials volunteer their time and expenses.

A parade will be held in Baker City at 10 a.m. Saturday. Pregame activities start at 6 p.m. with a 7 p.m. kick-off. The usual beef auction will be held at halftime.

Kelly Porter of Baker City will be queen this year. Kelly, 15, is the daughter of Billy and Carol

Porter. She will be a freshman at Baker City Senior High School. Kelly says her favorite subjects are social studies and language arts. She also enjoys choir. She is an active participant in track events with emphasis on shot put.

"Kelly's medical history covers the entirety of her brief lifetime and her association with the Portland Unit demonstrates her courage and tenacity and the degree of professional and compassionate care she received at Shriners," said a Shrine game news release.

The Shrine of North America is the world's largest philanthropy and the game in Baker City is the second largest fund raising event in support of Shrine hospitals, said the release.
