Selma Fae and Harry Green, 1949

The Greens, 1999

Selma Fae and Harry Green celebrated their 50th wedding anniversary on July 25 with a renewal of their vows and new rings after the Christian Life Center church service.

A corsage and boutonniere were pinned on by Lynnea Sargent and a golden ring pitcher was given by the church.

Their daughter, Ella Mae Johnson of Portland, and her son, Brandon, attended. Ella Mae read

the 13th Chapter of First Corinthians, which is often referred to as the "love chapter."

A phone call of congratulations was received from their daughter Betty, and family, at Gaylord, MN. Another call was received from Florida with congratulations from Jim Rollis.

The church ladies had a reception afterward, with a cake and fingerfoods.

The Greens enjoyed a trip to Northern Idaho with family members and friends.

## Gail Hughes wins August yard of month

The Gail Hughes' residence is the Heppner Garden Club yard of the month for August. Hughes, who enjoys spending time working in her yard, lives at 910 E. Fairview Way, Heppner.

The yard of the month is sponsored by the Garden Club and Green Feed.

## St. Patrick's Senior Center News Bulletin

Members of the Catholic Church served at the senior meal Aug. 4. Birthday cake was served instead of date chews. The broccoli casserole was very good. Hearing aid assistance was given and blood pressures were taken before the meal.

The menu for Aug. 18 will be sausage patties, eggs benedict pancakes, prunes, orange juice and fruit with topping. Members of the Episcopal Church will serve.

Exercises were held Tuesday and Thursday at 10 a.m.; pinocle was played Tuesday and Friday afternoon.

Seven seniors watched the movie Sunday evening. The movie next Sunday evening at 7 p.m. will be "The Horse Whisperer" which is provided by Sylvia McDaniel. Sunday night movies are being shown on the big new TV. Thanks to the efforts of Jane Rawlins, the old, worn out TV was replaced. There is now a nice clear picture instead of the wavy, streaked one.

Remember the senior ice cream cone booth at the fair, Aug. 18-21. A few more volunteers are needed, for Friday and Saturday.

## BMCC plans Internet classes at fair

Blue Mountain Community College is providing Morrow County residents with an opportunity to take the mystery out of the Internet by taking the Internet on the road.

BMCC Widening Our World (WOW) free Internet courses are planned to coincide with the Morrow County Fair in Heppner. Participants will learn how to harness the Internet information explosion in short courses focused on specific topic areas.

In Heppner, BMCC WOW is sponsored by the Morrow County Fair and the Heppner Chamber of Commerce. Classes are scheduled for Wednesday, Aug. 18, only. Classes will run from 11 a.m.-7:30 p.m. and will be held in the main exhibit hall.

These courses are similar in content to the BMCC WOW classes offered last year in Pendleton. As a result of those classes Blue Mountain secured a grant through the US West Foundation enabling the college to purchase lap top computers, and accompanying hardware and software. Now BMCC can host Internet classes at virtually any locale with a telephone line.

Training is provided by the BMCC staff and volunteers. These 50-minute classes include: Communicating with the Web, Internet for Agriculture, Internet for Travel, Internet for Families: Surfing Side by Side, Stock Trading on the Web, Internet for Shopping, Using the Internet for Research and Internet for Genealogy.

Course registration will be held on site at the BMCC booth at the Morrow County Fair, which is located in the main exhibit hall. Class size is limited to 20 individuals and classes will be filled on a first-come, first served basis.

For more information, call Blue Mountain Community College at 278-5762 for class registration information. These classes are offered free of charge.

## ODOT constructs new bridge in Echo

The Oregon Department of Transportation is constructing a bridge in Echo that will replace the existing bridge over the Umatilla River. Crews are working on the center pier of the new 70-meter bridge. Construction of the two concrete ends of the bridge is complete.

The new bridge design will fit in with the historical surroundings of the area.

The new bridge will be on a new alignment while the old bridge serves as the detour. ODOT is realigning the roadway in part of the area because of a vertical sight distance problem. Motorists driving towards the bridge approach vehicles pulling onto the highway, which is a potential accident hazard. The new alignment will allow for safer travel through the historic section of Echo. The new alignment is between known archaeological sites so the new structure is in accordance with all environmental constraints.

The old bridge is about 70 years old. The footings have been undermined due to high water flows. ODOT looked at widening and expanding the bridge, but, because of the substandard width, the age of the bridge and the unstable footings, a decision was made to replace the bridge.

The new bridge will be wider and includes a sidewalk on the upstream side. ODOT is rebuilding an irrigation canal structure at the bridge site. A box culvert will be built to replace the existing bridge.

The project started in March of this year and will be completed by August of 2000.

### PUBLIC MEETING NOTICE MORROW COUNTY COURT

The Morrow County Court will be meeting in Heppner instead of Boardman on its regularly scheduled Court date of Wednesday, August 18, 1999, beginning at 9:00 a.m.

Published: August 11, 1999

## PUBLIC NOTICE

Morrow County is inviting bids for modifications for safety and accessibility for the Morrow County Museum agriculture collection building (elevator) located at Riverside Avenue, Heppner Oregon; specifically, a handicapped access ramp and steps on the west side of the building and removal and replacement of concrete floor of bathrooms area. The ramp and steps are to be of concrete construction with hand-rail along all of the access; a roof section will be built over the platform leading into the building; the existing doorway through the concrete wall on the east side of the bathroom will be widened. Old concrete floor in the bathroom area will be removed and a new concrete floor will be poured with proper water and sewer connections for bathroom fixtures as specified in plans; freeze-proof water hydrant will be relocated.

Contractor shall furnish all of the materials and perform all of the labor necessary to complete the project, including removal and disposal of old materials. The project must be completed no later than October 31, 1999. Construction drawings and specifications may be picked up at the office of the County Court, Morrow County Courthouse, Heppner, OR. (541)676-5620. Sealed bids will be received by the County Court, Morrow County Courthouse, Heppner, OR 97836 until 5:00PM August 24, 1999, and publicly opened and read aloud at 10:00AM on August 25, 1999.

No bid will be considered unless it contains a statement by the bidder that ORS 279.250 (prevailing wage law and prevailing wage rates) will be complied with, if applicable. Each sealed bid must be plainly marked on the outside of the envelope as "Bid ADA work, Museum Ag Bldg." Each bid must contain a statement as to whether the bidder is a resident bidder as defined in ORS 279.029; Morrow County may reject any bid not in compliance with all prescribed public bidding procedures and requirements, and may reject for good cause any or all bids upon a finding that it is in the public interest to do so.

No bid shall be received or considered unless the bidder is licensed and bonded in accordance with the laws applicable to the activity undertaken, if any.

Morrow County does not discriminate on the basis of race, national origin, sex, religion, age or disability in contracting, employment or the provision of services. Morrow County reserves the right to reject any or all bids. Published: August 11 and 18, 1999
