

## Petersons to have 50<sup>th</sup> anniversary reception

Don and Martha Peterson

Don and Martha Peterson will celebrate their 50th wedding anniversary with an open house at their farm home with family and friends on Saturday, Aug. 28, from 2-4 p.m.

Their married life was blessed with four children (three sons and one daughter), five grandsons, one granddaughter who is married, and one great-grandson. They are active at

Valby Lutheran Church, and participated in district, state and national conventions, with Martha active in leading music.

They both worked at participating in farm organizations, the NFO and OWGL at state and national levels.

They have been able to travel lately, with trips to the Baltic, Panama Canal and Hawaii, as well as many resorts for conventions.

## Chamber Chatter

By Claudia Hughes, Chamber Manager

By Claudia Hughes, executive director

What would Heppner do without the Garden Club? They play a major role in making our town attractive to visitors. Just pause a moment between the Post Office and The Shoe Box to enjoy their creativity and the many volunteer hours donated by a few people. An attractive community helps to welcome visitors as they "Scoot and Boot" their way into the Morrow County Fair and Oregon Trail Pro-Rodeo week.

Parade entries are coming to the Chamber office fast and furiously. It is quite an achievement for the 1949 Court to be returning on horseback. Rumor has it that they will be the first court to return mounted and all accounted for. We look forward to welcoming them to the 1999 parade. Turn in your parade entry and join them on August 21.

Rodeo gate volunteers are needed. Please call Bill Kuhn. It's an opportunity to meet people at the gate as they enter to experience a really good show or participate, whatever the case may be. Take a moment to take a photo, do some cooking, pick your best selection from your garden and help to make the fair the best ever. Your entries and contributions make a difference. Happy Trails to Forrie and Gail Burkenbine, long-time Chamber members, as they embark on new adventures in their life and less work. Forrie was past president of the Chamber and is responsible for many behind-the-scenes contributions to the community they love. Thankfully they rebuilt Central Red Apple after the fire and it will remain in good hands while they move on. Maybe they'll have time for Chamber lunches, when they're in town.

The Chamber will not meet on Tuesday, August 17, but will instead meet for lunch at the Morrow County Fairgrounds on Thursday, August 19. There will be a reserved table in the pavilion for members attending. Be sure to check out the WOW, "Widening Our World" Internet sessions sponsored by BMCC.

See you next week at the fair. Thought for the week: "Always be a first-rate version of yourself instead of a second-rate version of somebody else."
