Fire precaution level drops

The industrial fire precaution level has dropped to a Level 1 on the Umatilla Nation Forest (Heppner, North Fork John Day, Walla Walla and Pomery Ranger Districts).

Level 1 allows firewood cutting and other operations to continue on all parts of the Umatilla National Forest. Woodcutters are

Heppner applies for DEQ permit renewal

The city of Heppner has applied for a renewal of the city's national pollutant discharge elimination system permit to operate its municipal wastewater collection and treatment system, according to a news release from the Oregon Department of Environmental Quality.

The city operates a trickling filter treatment system that treats domestic wastewater from the community. The city discharges treated effluent to Willow Creek and treated wastewater on the golf course. The city also applies treated biosolids on nearby agricultural lands.

According to DEQ, the city is

also required to carry a shovel and eight oz. capacity fire extinguisher. Power saws must be equipped with an approved spark arrester. For more information concerning the fire precaution level, call any Umatilla National Forest Office or a 24-hour information message phone at 541-276-3405.

The first volleyball game will be the Riverside Tournament in Boardman for varsity players on Saturday, Sept. 11, at 10 a.m.

Practice for grades seven and eight will begin after school starts.
